2025 Assembly Bill 243	Assembly Amendment 1

2025 ASSEMBLY BILL 243

2025 Assembly Bill 243 specifies that Department of Safety and Professional Services (DSPS) regulation of amusement rides does not apply to amusement rides installed at campgrounds that are licensed by the Department of Agriculture, Trade and Consumer Protection.

ASSEMBLY AMENDMENT 1

Assembly Amendment 1 revises the bill's prohibition of DSPS regulation of amusement rides at licensed campgrounds to prohibit only regulation of permanently installed jumping pillows at licensed campgrounds. To be exempt from DSPS regulation, a jumping pillow must be installed according to the manufacturer's recommended standards.

The amendment defines a "jumping pillow" as an inflatable, air-supported, and permanently installed recreational device that is designed for use by campers for jumping or bouncing, is anchored at ground level, and is not intended to be portable or transported for use at fairs, carnivals, or amusement parks.
