Adm 10.06 Competitive bidding. Competitive bidding is the preferred method for procuring contractual services, and shall be used in every case that permits the preparation of specifications or standards, or both, that can be used as the basis for award.

Note: For information on competitive bidding, see *State Procurement Manual*, section PRO-C, "The Bidding Process".

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83.

Adm 10.07 Waivers. (1) WAIVER REQUIREMENT. Any procurement of contractual services that is not made by competitive bidding requires a waiver of bidding. The request for a waiver shall contain a complete explanation of why competitive bidding cannot be used and the proposed alternative procedure. Procurements estimated to exceed \$10,000 require waivers by the governor. Procurements estimated to total \$10,000 or less may be waived by the secretary or his or her designee.

(2) **GENERAL WAIVER.** Agencies may consolidate repetitive and similar transactions into a general waiver request. General waivers are issued for a specific period of time not to exceed one calendar year.

Note: For information on waivers, see *State Procurement Manual*, sections PRO-C-9, "Waiver of Bidding Process", PRO-C-10, "Bid Waiver Transmittal Letter", and PRO-C-11, "General Waiver".

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83.

Adm 10.08 Competitive negotiation. (1) REQUEST FOR PROPOSALS (RFP). The preparation of an RFP is mandatory. The RFP shall be written in clear, concise and measurable terms. The RFP shall:

(a) State the name and address of the contracting agency or the procuring agency, or both, and the names, addresses, titles and telephone numbers of persons to whom questions concerning the proposals should be directed;

(b) State how sealed proposals are to be delivered, the date and time by which they must be received and the name and address of the person who is to receive them;

(c) Contain the date and time of the pre-proposal conference, if any, and the period of the contract or contracts;

(d) Clearly describe the scope of the services requested and shall provide prospective contractors with performance criteria, including quantity of each service required and delivery schedules for those services;

(e) State the factors to be considered in evaluating proposals and the relative importance of each factor. Factors that may be considered when evaluating proposals include:

1. Responsiveness of the proposals. The proposal should clearly state the proposer's understanding of the work to be performed.

2. Technical experience and resources of the firm or individual submitting the proposal.

3. Experience and professional activities of the firm or individual submitting the proposal.

4. Size and structure of the firm or individual practice of the proposer.

5. Cost;

(f) State that the procuring agency reserves the right to reject for cause any and all proposals submitted and to request additional information for purposes of clarification only from proposers; and

(g) State that any award made shall be made to the firm which, based on the evaluation by the procuring agency, is best qualified.

(2) LEGAL NOTICE. When the estimated cost exceeds \$10,000, a Class 2 notice under ch. 985, Stats., inviting competitive sealed proposals shall be published. The advertisement shall describe the services to be purchased, the intent to solicit proposals rather than bids, any requirement for surety and date the proposals will be opened.

(3) PROPOSAL EVALUATION. Proposals shall be evaluated using a predetermined method to determine which proposer best meets the needs of the procuring agency. A description of the process of evaluation should be included with the RFP. The RFP should state, whenever possible, whether oral presentations by proposers will be part of the evaluation process.

(4) EVALUATION COMMITTEE. Before an RFP is distributed to prospective contractors, the procuring agency shall establish an evaluation committee. Each committee shall consist of 3 or a larger number of members, depending on the complexity and scope of services being procured. At least one member or a person advising the committee, shall be trained in procuring contractual services. An evaluation committee shall:

(a) Review all proposals submitted in response to an RFP, using as a basis the evaluation criteria included in the RFP;

(b) Conduct all formal, scheduled oral conferences and presentations with proposers that affect the evaluation process;

(c) Keep accurate records of all meetings, conferences, oral presentations, evaluations and decisions;

(d) Not disclose to any proposer any information obtained from any other proposer;

(e) Give all proposers an equal opportunity to make a presentation, if presentations are permitted; and

(f) Issue a final report and recommendation.

(5) DISCUSSIONS WITH PROPOSERS. Fair and equal discussions may be conducted with all proposers for the purpose of clarification, and with proposers whose proposals are reasonably apt to be awarded the contract for the purpose of negotiating the best offer.

(6) NOTICE OF INTENT. When the competitive negotiation process is used to procure services over \$10,000, a letter of intent to contract shall be sent by the contracting agency to the selected proposer. Copies of the letter of intent shall be sent to all other proposers in the evaluation process. All letters of intent shall be sent at least 5 days before the intended date of award.

(7) CONTRACT AWARD. Award shall be based on the evaluation committee recommendation unless, after review by the department of the award or of a protest by a bidder or proposer, a change in an award is approved because:

(a) Mathematical errors were made in scoring proposals;

(b) The award was recommended to a proposer who should have been disqualified as not responsive to all mandatory requirements of the RFP;

(c) Evidence of collusion or fraud involving either the proposer or an evaluation committee member is found;

(d) The evaluation committee failed to follow the evaluation criteria as set forth in the RFP; or

(e) Violations of this chapter or the statutes have occurred.

(8) CONFLICT OF INTEREST. No person shall serve on an evaluation committee where the action of that committee might benefit that person, or a member of that person's immediate family as

defined in s. 19.42 (7), Stats., or any organization or business with which that person is associated as defined in s. 19.42 (2), Stats.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83; am. (3) and (4) (intro.), Register, December, 1985, No. 360, eff. 1-1-86.

Adm 10.09 Noncompetitive negotiation. In cases where the contractual service can only be obtained from one source, the agency shall provide information in the RPA to show that only one source exists, that the price is reasonable either on a fair market value or on a cost basis, and that the procurement is in the best interests of the state.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83.

Adm 10.10 Disclosure. (1) Any bidder or proposer other than a political subdivision of the state shall include with a bid or proposal a written statement that discloses and provides relevant information on any of the following conditions that exist:

(a) An officer or an employee of the contracting or procuring agency, or his or her immediate family, as defined in s. 19.42 (7), Stats., owns or controls, directly or indirectly, any equity, or is associated, as defined in s. 19.42 (2), Stats., with the bidder or proposer;

(b) The bidder or proposer currently employs, or has offered or agreed to employ, any person who is or has been an officer or employee of the contracting or procuring agency within the 12 month period preceding the bid or proposal; or

(c) The bidder or proposer has a contract for contractual services with the contracting or procuring agency or provides services to, or anticipates providing services during the term of the contract to, a person or organization that is regulated by, or receives state funds from, the contracting or procuring agency.

(2) If none of the above conditions exist, the bidder or proposer shall include, with any bid or proposal, a written statement to that effect.

(3) The contracting or procuring agency shall review the statement and prepare a written determination on whether or not the information disclosed under sub. (1) interferes with fair competition and whether or not, in spite of the information disclosed, the awarding of the contract to the bidder or proposer will be in the best interests of the state.

(4) The department shall review the determination by the contracting or procuring agency. If the department does not concur in that determination, the department shall not approve the contract.

(5) All contracts shall provide that if the bidder or proposer has failed to disclose any conditions described in sub. (1), the contract may be declared to be void by the department and any amounts paid under the contract may be recovered as provided in s. 16.77 (2), Stats.

(6) No disclosure under sub. (1) (c) is required if a state or federal law prohibits the disclosure, or b) the relationship does not create a conflict of interest and loss of independence, or the disclosure is improper under standards of professional conduct adopted by, or administrative rules of, the state agency or agency of the judicial branch that is responsible for regulating or licensing the occupational group of which the bidder or proposer is a member.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83.

All standard terms and conditions of the official state purchase order shall apply to all contracts except as deleted or amended in the text of an attached contract.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83.

(2) **DELEGATION REVIEW.** Delegation of its purchasing power under s. 16.71, Stats., does not absolve the department from its responsibilities under subch. IV of ch. 16, Stats. The department shall periodically review the exercise of delegated authority by agencies and may withdraw delegation at any time for cause.

History: Cr. Register, January, 1983, No. 325, eff. 2-1-83.

Adm 10.14 Performance of contractors. The department shall review evaluations of contractor performance submitted by agencies pursuant to s. 16.705 (6), Stats. The department shall investigate each negative report and develop a list of contractors determined to have performed in an unsatisfactory manner. A contractor placed on this list shall be excluded from participating in state contracts for a period specified by the department not to exceed 2 years. A contractor who is placed on this list may request a hearing under s. 227.42, Stats.

The protestor shall file a notice of intent to protest in writing with the head of the procuring agency, or designee, within 5 working days after issuance of the solicitation, or after issuance of the letter of intent to award a contract, and shall serve the protest in writing on the head of the procuring agency, or designee, within 10 working days after issuance of the solicitation, or after issuance of the letter of intent to award a contract.

(2) **AUTHORITY TO RESOLVE PROTESTS.** The head of the procuring agency, or designee, shall have the authority to settle and resolve a protest of an aggrieved bidder or proposer concerning the solicitation or intent to award a contract.
