5. The training and education of eligible applicants as defined in s. 59.72 (1) (c), Stats., involved in the design, development and implementation of land information systems and systems modifications.

History: Cr. Register, May, 2000, No. 533, eff. 6−1−00; CR 06−084: am. (intro.), (2) and (4), Register December 2006 No. 612, eff. 1−1−07.

Adm 47.04 Grants. Subject to availability of funds, the department shall determine annual grant amounts for eligible projects under s. Adm 47.03, by October 15, of each year. A grant may not exceed $100,000. The department may award more than one grant to a county board. Any funds not granted in any given year shall remain available for general distribution to eligible local units of government, at the discretion of the department in future grant cycles. In carrying out its duties under this section, including setting priorities for grant funding, the department may seek advice and assistance from state agencies, local governmental units, and other experts involved in collecting and managing land information. The department may provide the following grant categories:

1. Training and education grants as provided in s. Adm 47.03 (5), shall be available to provide the county land information officer or the officer’s designee with training for the design, development and implementation of a land information system. A county may receive up to $300 to participate in workshops and courses provided by institutions of higher education, professional land information organizations or land information system vendors.

2. Land information system base budget grants for eligible projects and activities provided in s. Adm 47.03 (1) through (5), shall be available to provide a minimum funding level to enable a county land information office to develop, maintain and operate a basic land information system. To be eligible for this category, the fees that a county retained under the provisions of s. 59.72 (5) (b), Stats., shall be less than $50,000 for the preceding fiscal year.

3. Local government contribution based grants shall be available to fund eligible projects and activities as provided in s. Adm 47.03 (1) through (5), that are consistent with the county−wide plan for land records modernization. A county may receive an amount equal to the available funds divided proportionately according to the rate of county fee submittals under s. 59.72 (5) (a), Stats., for the preceding fiscal year.

4. Strategic initiative grants for eligible projects and activities as provided in s. Adm 47.03 (1) through (5), for expediting and fostering statewide and regional strategic initiatives consistent with specific statutory requirements and standards adopted by the department.

History: The Wisconsin Land Information Program statutes and the standards adopted by the Department may be obtained from the Department’s Land Information Program at P.O. Box 8944, Madison, Wisconsin or at the following website: http://www.doa.state.wi.us/dir/index.asp

Adm 47.05 Grant application. All applications shall be submitted on the authority of the county board on behalf of an eligible applicant. Application authority shall be obtained by specific action of the county board. The department may request evidence of such authority. County boards may delegate their authority to apply for grants to the entity responsible for administration of the county land information office established under s. 59.72 (3), Stats. Any such delegation shall be explicit. All applications shall be fully completed and submitted on forms provided by the department before the deadline established by the department. Applications shall be executed under the authority of both
the county or delegated authority and the eligible applicant. The department shall give notice of application periods to county land information offices at least 90 days prior to the deadline for submission of applications.

Note: Grant Applications can be obtained by calling or writing the Wisconsin Land Information Program, Department of Administration, P.O. Box 8944, Madison, WI 53708–8944 (telephone 608/267–3369). The application may also be viewed and printed at the following website: http://www.doa.state.wi.us/dlr/index.asp.

Adm 47.06 Evaluation criteria. Grant requests shall be reviewed and evaluated by department staff for department approval. All grant applications shall be evaluated on the applicant’s responsiveness to the following requirements:

(1) Applicants shall evidence specific plans for cooperation and partnership with local units of government, located fully or partially within the geographic borders of the county making application, to collect, maintain, integrate and share land information, data and associated metadata.

(2) Projects shall meet or exceed all relevant statutory requirements and standards established by the department under s. 16.967 (3) (c) and (e), Stats.

(3) Projects shall be consistent with the countywide plan for land records modernization.

(4) Applicants shall complete and submit an annual land information program survey.

(5) Applicants shall subscribe to and participate in the Wisconsin land information program’s internet land information officers technical assistance email list serve.
