History: Cr. Register, June, 1985, No. 354, eff. 7−1−85; correction in (3) made under s. 13.93 (2m) (b) 7., Stats., Register, January, 1995, No. 409; CR 08−073: renum. from HFS 195.01 Register January 2009 No. 637, eff. 2−1−09; renum. from DHS 195.01 Register June 2016 No. 726; correction made under s. 13.92 (4) (b) 7., Stats., Register June 2016 No. 726.

ATCP 72.02 Scope of rules. (1) APPLICABILITY. The provisions of this chapter apply to the operator of any hotel, motel, or tourist rooming house.

(2) APPROVED COMPARABLE COMPLIANCE. When it appears to the department that strict adherence to a provision of this chapter is impractical for a particular hotel, motel, or tourist rooming house, the department may approve a modification in that rule for that facility if the department is provided with satisfactory proof that the grant of a variance will not jeopardize the public’s health, safety or welfare.

(b) Except as provided in s. 93.135, Stats., the initial issuance, renewal, or continued validity of a license issued under this subsection may be conditioned upon the requirement that the license holder correct a violation of this chapter, s. 97.605, Stats., or ordinances adopted under s. 97.615 (2) (g), Stats., within a period of time specified. If the condition is not met within the specified time or after an extension of time as approved by the department, the license is void. No person may operate a hotel, motel, or tourist rooming house after a license has been voided under this paragraph, and any person who does so shall be subject to the penalties under ss. 97.72 and 97.73, Stats. An operator whose license is voided under this paragraph may appeal the decision under s. ATCP 72.08.

(d) If the department or its agent denies an application for a license, the applicant shall be given reasons, in writing, for the denial and information regarding appeal rights under s. ATCP 72.08.

(6) Voided License for Failure to Pay Fees. If an applicant or operator fails to pay all applicable fees, late fees and processing charges under s. ATCP 72.05 within 15 days after the applicant or operator receives notice of an insufficiency under s. ATCP 72.05, or within 45 days after the expiration of the license, whichever occurs first, the license is void. An operator whose license is voided under this subsection may appeal the decision under s. ATCP 72.08. In an appeal concerning a voided license under this subsection, the burden is on the license applicant or operator to show that the entire applicable fees, late fees and processing charges have been paid. During any appeal process concerning a payment dispute, operation of the hotel, motel, or tourist rooming house is deemed to be operation without a license and is subject to the fees under s. 2. A reinspection shall be scheduled to allow the operator a reasonably sufficient time to correct the deficiencies.
3. The reinspection fee under Table ATCP 72.05 A or B or applicable charges as determined by an agent of the department shall be charged for the reinspection.
4. If an additional reinspection is required because a violation has not been corrected in the scheduled time, the department shall assess the operator an additional reinspection fee according to Table ATCP 72.05 and the department may order the operator to show just cause why the license should not be suspended or revoked under s. ATCP 72.07.

(2) **General Orders to Correct Violations.** (a) If upon inspection of a hotel, motel, or tourist rooming house, the department or agent finds that the hotel, motel, or tourist rooming house is not designed, constructed, equipped, or operated as required under this chapter, the department or agent shall issue a written order to correct the violation. The order shall specify the correction needed for compliance and the time period within which the correction should be made. The time period specified in the order may be extended at the discretion of the department or agent.
(b) If the order to correct violations is not carried out by the expiration of the time period stated in the order, or any extension of time granted for compliance, the department or agent may issue an order under s. ATCP 72.07 to suspend or revoke the license to operate the hotel, motel, or tourist rooming house.

(c), the temporary order shall remain in effect for 14 days from the date of delivery, but a temporary order may be reissued for one additional 14–day period if necessary to complete any analysis or examination of samples, specimens, or other evidence.
2. No operation or method of operation prohibited by the temporary order may be resumed without the approval of the department or agent until the order has terminated or the time period specified in subd. 1. has expired, whichever occurs first. If, upon completed analysis or examination, the department or agent determines that construction, sanitary condition, operation, or method of operation of the premises or equipment does not constitute an immediate danger to health or safety, the department or agent shall immediately notify the owner, operator or responsible supervisor in writing and the temporary order shall terminate upon receipt of the written notice.
(c) If the analysis or examination shows that the construction, sanitary condition, operation or method of operation of the premises or equipment constitutes an immediate danger to health or safety, the department or agent, within the effective period of the temporary order specified in par. Note: Section 97.625 (1) (am), Stats., was repealed by 2017 a. 330.

(2) DEFINITIONS. In this section:

(a) “Carbon monoxide detector” means an electronic or battery-operated device that sounds an alarm when an unsafe level of carbon monoxide is in the air. A carbon monoxide detector is referred to as a “carbon monoxide alarm” by the Underwriters Laboratories, Inc., standards and ss. SPS 320.24 (2), 321.097, and 362.0915.

(b) “Fuel-burning appliance” means a device that is used or intended to be used in a residential building and burns fossil fuel or carbon based fuel where carbon monoxide is a combustion by-product. “Fuel-burning appliance” includes stoves, ovens, grills, clothes dryers, furnaces, boilers, water heaters, heat pumps and fireplaces.

(c) “Inspection agent” means an individual holding certification under s. SPS 305.71 as an HVAC qualifier, who has been retained by the department or its agent to conduct the inspections of sealed combustion units required under this section and ss. 97.625 (1) (am) and 101.149 (5) (c), Stats.

(g) “Sleeping area” means the area of the unit in which the bedrooms or sleeping rooms are located. Bedrooms or sleeping rooms separated by another use area such as a kitchen or living room are separate sleeping areas but bedrooms or sleeping rooms separated by a bathroom are not separate sleeping areas.

(b) If a unit is not part of a multunit building, the operator need not install more than one carbon monoxide detector in the unit.

(c) 1. Except as provided under subd. 2., the operator shall comply with the requirements of this subsection before a residential building is occupied.
