(1) No brewer shall discriminate in price, allowance, rebate, refund, commission or discount between wholesalers purchasing fermented malt beverages of like kind or quality where the effect of such discrimination may be substantially to lessen competition or tend to create a monopoly, or to injure, destroy or prevent competition by a person who is or in good faith intends to become a competitor, in the wholesaling of fermented malt beverages, unless such discrimination is:

(a) Merely commensurate with a difference in the cost of manufacture, sale, or delivery resulting from differing methods or quantities of sale or delivery, or

(b) Made in good faith to meet or enable a wholesaler to meet the price or other terms of a competitor of either of them.

(2) No brewer shall threaten any wholesaler with any discrimination prohibited under sub. (1) with the purpose or effect of changing or maintaining resale prices of the wholesaler.

ATCP 102.12 Prohibited trade practices. No wholesaler of soda water beverages shall, in the sale or distribution of soda water beverages, engage in the following unfair methods of competition or unfair trade practices:

(1) Discriminate, directly or indirectly, in the price at which soda water beverages are sold to customers by selling or offering to sell such beverages at a special price or discount, or with special allowances, rebates, or commissions, or under other price or credit terms or conditions not offered or made available to all customers, where the effect of such discrimination may be substantially to lessen competition or tend to create a monopoly, or otherwise injure, destroy or prevent competition between wholesalers of soda water beverages or any of their customers.

(2) Furnish, sell, give, lend or rent any equipment, after the effective date of this chapter, for the refrigerated or heated storage or display, or mechanical dispensing of soda water beverages to a retailer, but this shall not prevent:

(a) The sale or rental of such equipment to a retailer under a written agreement describing the equipment sold or rented, and specifying the price and other terms and conditions under which it is to be sold or rented. Copies of agreements shall be kept on file by the wholesaler for at least 3 years after final payment has been received. No agreement for the sale or rental of equipment other than agreements for the rental of coin-operated vending machines shall contain any provision that prohibits the use of the equipment for the storage, display, or dispensing of the products of competing wholesalers or reserves any part of the available capacity of the equipment for the products of the wholesaler selling or renting the equipment.

1. Terms for the sale of equipment shall provide that the wholesaler shall recover at least the wholesaler's cost for the equipment, including all costs for transportation and installation of the equipment, either by advance payment in full or by equal monthly installment payments over a period not to exceed 5 years.

2. Terms for the rental of equipment, other than coin-operated vending machines, shall provide that minimum monthly rental charges shall be no less than one-sixtieth (1/60) of the total cost to the wholesaler, including all costs for transportation and installation of the equipment. Rentals may be charged in equal periodic installments or on a volume basis, and shall be collected at least once each year in an amount sufficient to recover all such costs within a period of 60 months.

3. Terms for the rental of coin-operated vending machines shall provide that the minimum monthly rental charge shall be no less than one ninety-sixth (1/96) of the total cost to the wholesaler, including all costs for transportation and installation. Rentals may be charged in equal periodic installments or on a volume basis, and shall be collected at least once each year in an amount sufficient to recover all such costs within a period of 96 months.

4. Cost of equipment which has been returned or repossessed or on which rental contracts are renewed shall be based on fair market value of the equipment, whether or not cost was recovered in whole or in part under a previous sale or rental agreement.

(b) The furnishing of equipment to a retailer, for the storage, transportation or display of soda water beverages for not more than a total of 20 days in a calendar year for use at fairs, exhibitions, expositions or other events for agricultural, industrial, charitable, educational, religious or recreational purposes.

(3) Discriminate, directly or indirectly, between customers in furnishing of advertising, promotional or other services or facilities to them, or in compensating customers for services or facilities to be rendered or furnished by or through them in connection with the sale or distribution of soda water beverages, under terms or conditions not available to all customers on proportionally equal terms, where the effect of such discrimination may be substantially to lessen competition or tend to create a monopoly, or otherwise injure, destroy or prevent competition between wholesalers of soda water beverages or any of their customers. This does not apply to the furnishing of equipment under sub. (2) (b).

(a) At a price different from that charged other customers, if such price differential merely allows for differences in the cost of manufacture, sale or delivery resulting from the differing methods or quantities in which such soda water beverages are sold or delivered, or if made in good faith to meet an equally low price of a competitor, or the terms or conditions under which they are sold by a competitor.

(b) With differences in services or facilities under s. ATCP 102.12 (3), if made in good faith to meet services or facilities, or any compensation therefor, furnished by a competitor.

(c) Which are imperfect, damaged, subject to immediate loss because of obsolescence or perishability, or discontinuance from sale.

(d) In the final liquidation of a soda water beverage business.

(e) To customers other than retailers or wholesalers as defined in s. ATCP 102.12 (2) or (3).

(f) Under the order or direction of any court.

(2) Equipment furnished, sold, given, lent, or rented prior to the effective date of this chapter shall, within 18 months after the effective date of this chapter, be either removed from the retailer's premises or brought into compliance with the requirements of s. ATCP 102.12 (2) and (3).

(2) Cost data shall to the extent permitted by law be accorded confidentiality by the department and not opened to the public inspection without 10 days prior notice to the wholesaler concerned.

ATCP 102.22 Discrimination. (1) No supplier or wholesaler of motor fuel shall enter into any agreement or

arrangement whereby directly or indirectly discrimination is made in the price at which said supplier or wholesaler sells motor fuel to wholesalers or retailers thereof, where the effect of such discrimination may be to substantially lessen competition or to tend to create a monopoly, or to injure, destroy or prevent competition with any person in the marketing of motor fuel in the community in which said supplier or wholesaler is thus selling at a lower price; provided, that it shall be a justification for such a discrimination in price if the difference, made by said supplier or wholesaler in the price to the wholesaler or retailer to whom said supplier or wholesaler sells at a lower figure, is merely commensurate with an actual difference in the quality or quantity of motor fuel sold to said wholesaler or retailer or in the transportation charges or other expenses of marketing involved in the sale to said wholesaler or retailer. Nothing herein contained shall prevent a seller from showing that the lower price was made in good faith to meet an equally low price of a competitor.

(2) No person any part of whose business is the sale of motor fuel to wholesalers shall sell motor fuel for ultimate consumption or use at a price lower than that at which he or she sells to such wholesaler unless such lower price is justified as provided in sub. (1).
