Chapter 5

CONTINUING EDUCATION

(a) Every chiropractor shall complete at least 40 continuing education credit hours in approved continuing education programs during each 2-year license registration period ending on December 14 of each even-numbered year, except as specified in s. Chir 3.02 (1c).

(b) Continuing education requirements for license renewal apply to the first full 2-year period in which a chiropractor is licensed.

(c) The board may grant a waiver, partial waiver, or postponement of the continuing education requirements in cases of hardship.

(d) Course work completed in pursuit of the educational requirements of ch. Chir 12 may be counted on an hour-for-hour basis.

(e) Of the 40 continuing education credit hours in par. (a), a chiropractor holding a nutritional counseling certificate issued under ch. Chir 12 shall complete at least 4 continuing education credit hours in nutrition.

(f) (1) Credit of course work completed to become proficient in the use of an automated external defibrillator as required in ss. Chir 2.02 (6c) and Chir 3.02 (1e) and 3.03 (1i)(i), may be counted as a continuing education credit hour.

(2g) Every chiropractic radiological technician shall complete at least 12 continuing education credit hours in approved continuing education programs during each 2-year certificate registration period ending on December 14 of each even-numbered year. A chiropractic radiological technician who receives an initial certificate during a certificate registration period ending on December 14 of any even-numbered year shall complete at least 6 continuing education credit hours in approved continuing education programs during each 2-year certificate registration period ending on December 14 of each even-numbered year. A chiropractic radiological technician who receives an initial certificate during a licensing biennium is not required to satisfy the continuing education requirement from the date of that certificate to the end of that licensing biennium.

(2) Continuing education credit hours may apply only to the 2-year period in which the credit hours are acquired, unless either of the following applies:

(a) The program subject matter relates to the clinical skills of a chiropractic technologist, or chiropractic technician, as applicable.

(b) The board may grant a waiver, partial waiver, or postponement of the continuing education requirements in cases of hardship.

(b) If the chiropractor, chiropractic radiological technician, or chiropractic technician has failed to meet the continuing education requirement during the period, continuing education hours acquired on or after December 14 of any even-numbered year will apply to the preceding period only if the chiropractor, chiropractic radiological technician, or chiropractic technician has failed to meet the continuing education requirement during that period, and will not apply to any other period or purpose.

(3) To obtain credit for completion of continuing education programs, a chiropractor, chiropractic radiological technician, or chiropractic technician shall certify on his or her application for renewal that he or she has completed all continuing education credits as required in this section for the previous 2-year credential registration period. A chiropractor, chiropractic radiological technician, or chiropractic technician shall retain for a minimum period of 4 years, and shall make available to the board or its agent upon request, certificates of attendance issued by the program sponsor for all continuing education programs for which the program is approved for all purposes of renewal of his or her credential.

A chiropractor, chiropractic radiological technologists, or chiropractic technicians attending a program for credit shall be present in the room where a program is being presented in order to claim credit.

A chiropractor, chiropractic radiological technician, or chiropractic technician may claim credit hours for continuing education for which he or she was in actual attendance in the room, except for authorized break periods or to attend to personal hygiene needs.

(a) The program is sponsored by the Wisconsin chiropractic association, the American chiropractic association, the international chiropractors association, a college of chiropractic approved by the board, or a college of medicine or osteopathy accredited by an agency recognized by the United States department of education.

(b) Chiropractors. The program subject matter relates to the clinical skills of a chiropractor and is generally taught at the undergraduate or graduate level of a chiropractic college meeting the requirements of s. Chir 2.02 (6b). The board may not approve credit for continuing education regarding the clinical skills of a chiropractor.

(c) The program sponsor agrees to provide a responsible person to monitor and verify the attendance of each registered chiropractor, chiropractic radiologic technician, or chiropractic technician.
A program sponsor shall not assign or delegate its responsibilities to monitor or record attendance, provide evidence of attendance, validate course content, or provide information on instructors or other aspects of the program unless the assignment or delegation is specifically identified in the application for approval and approved by the board.

(e) The program sponsor has reviewed and validated the program’s course content to ensure its compliance with pars. (b) and (bm).

(f) When a course instructor of the program is on the undergraduate or postgraduate faculty of a chiropractic college, the program sponsor has provided written verification that the course instructor has been appointed in accordance with the accreditation standards of the council on chiropractic education, and that the chiropractic college exercises sufficient supervision over a faculty member’s course content.

(g) The program offers significant professional educational benefit for participants, as determined by the board.

(h) The instructor is qualified to present the course.

(1m) The board shall approve a continuing education program that is approved under s. 46.03 (38), Stats., to provide instruction in the use of an automated external defibrillator. Subsections (1) to (4) and (6) do not apply to programs approved under this section.

(2) (a) Continuing education programs may include subject material other than that which relates to improving the clinical skills of a chiropractor and is generally taught at the undergraduate or postgraduate level of a chiropractic college, meeting the requirements of s. Chir 2.02 (6) (b). However, only the parts of the program which relate to improving the clinical skills of a chiropractor and are generally taught at the undergraduate or postgraduate level of a chiropractic college are eligible for credit.

(b) Any presentation, program content, materials or displays for the advertising, promotion, sale or marketing of equipment, devices, instruments or other material of any kind or purpose shall be kept separate from the program content and presentation for which approval is applied for and granted.

(c) Programs shall be approved for one hour of continuing education for every 50 minutes of instruction.

(3) Home study programs may be approved for credit only in cases of extreme hardship, as determined by the board.

(4) (a) An application for approval of a continuing education program shall:

1. Be on a form provided by the board.

   Note: Application forms are available on request from the Department of Safety and Professional Services, 1400 East Washington Avenue, Madison, Wisconsin 53702.

2. Identify the name and address of the program sponsor and describe how the program sponsor qualifies under this section.

3. Describe the time and place of the program.

4. Be complete as prescribed in this subsection and filed with the board no later than 75 days prior to the program date. An application is not considered complete until such time as all information required to be submitted with the application, and any supplementary information requested by the board, is received by the board.

5. Include evidence of the program sponsor's verification showing to the satisfaction of the board that the subject matter is generally taught at the undergraduate or postgraduate level of a chiropractic college meeting the requirements of s. Chir 2.02 (b) (b) and relates to improving the clinical skills of a chiropractor. A detailed course outline or syllabus describing the subject matter of the program, and the amount of time devoted to each section of the outline or syllabus shall be attached to the application.

6. Describe the names and qualifications of all instructors, and if applicable, whether an instructor of the program who is an undergraduate or postgraduate faculty member of a sponsoring college was appointed in accordance with accreditation standards of the Council on Chiropractic Education (CCE) or by an agency approved by the United States Office of Education or its successor.

7. Identify whether the program sponsor intends to assign or delegate any of its responsibilities to another person or entity, and if so, include each of the following:

   a. A specific description of the assignment or delegation.

   b. The person or entity who is assigned or delegated to perform the responsibility, including name, address and qualification to perform the responsibility.

   c. The method by which the program sponsor intends to assure that the delegated or assigned responsibility is performed.

   (b) If necessary in order to determine whether an applicant meets the requirements of this chapter, the board may require that the applicant submit information in addition to that described in this section.

5. Continuing education credit may not be awarded for meals or break periods.

6. The sponsor of an approved program shall ensure that the program is carried out and presented as represented to and approved by the board, and that all responsibilities of the program sponsor, an instructor, and any person or entity delegated or assigned a responsibility relating to a program approved by the board are fulfilled.

Continuing education approval request forms are available upon request from the Department of Safety and Professional Services, 1400 East Washington Avenue, Madison, Wisconsin 53702.
