(b) Prior to receiving a license, an applicant for a license under this chapter shall complete all application forms truthfully and accurately and pay all fees and forfeitures due to the department.

(c) The department may refuse to issue or continue a license if another center operated by the licensee is in substantial non–compliance with the licensing rules or has any outstanding fine or forfeitures.

(d) Persons licensed to operate a group child care center shall be responsible, mature individuals who are fit and qualified. In determining whether an applicant is fit and qualified, the department shall consider any history of civil or criminal violations or other offenses substantially related to the care of children by the applicant, owner, manager, representative, employee, center resident or other individual directly or indirectly participating in the operation of the group child care center. A determination of being unfit and unqualified includes substantiated findings of child abuse or neglect under ch. 48, Stats., or substantiated abuse under
ch. 50, Stats., or under similar statutes in another state or territory whether or not it results in a criminal charge or conviction.

(e) The department shall issue a group child care license to an applicant within 60 working days after receipt and department approval of a properly completed application, satisfactory department investigation and determination that the applicant is fit and qualified. An applicant is deemed ineligible to submit an application for a license and a licensee may not hire an employee within 2 years from the date an applicant or employee had a child care license revoked or denied.

(d) Upon submission of a complete application, the department shall conduct an investigation to determine whether the applicant is eligible for a license.

(e) If the department determines that the applicant is eligible for a license, the department shall issue a probationary license having a 6-month duration. A probationary license may be renewed for one 6-month period.

(f) If the department determines that an application does not comply with the applicable requirements of this chapter or the department’s investigation determines that the applicant is not eligible for a license, the department may deny the application.

Regular licenses shall be reviewed and continued for a 2-year period.

(4) CONTINUING A REGULAR LICENSE. (a) A regular license shall be valid indefinitely, unless suspended or revoked by the department or surrendered by the licensee.

(b) At least 30 days before the continuation review date of the license, an applicant for license renewal shall submit to the department the following materials:

   4. The days of the week the center is in operation.
   5. The months of the year the center is in operation.
   6. The name of the center.

   (b) A licensee may not make a change that affects a condition of the license under par. (a) without the prior written approval of the department.

(c) A licensee may not move the center to a new location or change ownership of the center without notifying the department at least 30 days prior to the change. A new application and license is required when a center moves or changes ownership.

Note: The department’s form, License Application − Group Child Care Centers, is used to apply for a new license. The department will provide an application when notified by the licensee that the center will move to a new location.

(d) A licensee proposing to increase the licensed capacity of a center shall demonstrate compliance with this chapter in the operation of the existing center and compliance with rules for any other facility licensed by the department and operated by the licensee.

(6) ADDITIONAL LICENSE. A licensee applying for a license for an additional center location shall demonstrate compliance with this chapter in the operation of the existing center he or she operates and compliance with rules for any other facility licensed by the department and operated by the licensee. The licensee shall pay any fines, forfeitures or other fees due and owing under s. 48.715, Stats., or s. 48.65, Stats., on other facilities licensed by the department before the department issues an additional license.

(7) LICENSE DENIAL OR REVOCATION. (a) The department may deny, revoke or suspend a license, initiate other enforcement actions specified in this chapter or in ch. 48, Stats., or place conditions on a license if the applicant or licensee, a proposed or current employee, a volunteer or any other person having regular contact with the children, has or has been any of the following:

   6. Had a child care license or certification revoked or denied within the last 5 years.
   7. Violated any provision of this chapter or ch. 48, Stats., or fails to meet the minimum requirements of this chapter.
   8. Made false statements or withheld information.

Note: Examples of charges and offenses the department will consider in making a determination under this paragraph that an act substantially relates to the care of children are: abuse or neglect of a child; sexual assault; abuse of a resident of a facility; a crime against life and bodily security; kidnapping; abduction; arson of a building or of property other than a building; robbery; receiving stolen property from a child; a crime against sexual morality, such as enticing a minor for immoral purposes or exposing a minor to harmful materials; and interfering with the custody of a child. The list is illustrative. Other types of offenses may be considered.

(b) The department may deny, revoke, refuse to renew or suspend a license, initiate other enforcement actions specified in this chapter or in ch. 48, Stats., or place conditions on the license if the applicant or licensee is not fit and qualified as determined under sub. (1).

Note: See DCF 251.03 (11g) for the definition of “fit and qualified.” Examples of charges, actions or offenses the department will consider in making a determination under this paragraph that an act substantially relates to the care of children include the following: abuse or neglect of a child; sexual assault; abuse of a resident of a facility; a crime against life and bodily security; kidnapping; abduction; arson of a building or of property other than a building; robbery; receiving stolen property from a child; a crime against sexual morality, such as enticing a minor for immoral purposes or exposing a minor to harmful materials, interfering with the custody of a child. The list is illustrative. Other types of offenses may be considered.

(c) The department shall deny or refuse to continue or revoke a license if the applicant or licensee has failed to pay court-ordered payments of child or family support, maintenance, birth expenses, medical expenses or other expenses related to the support of a child or former spouse or for the failure of the applicant or licensee to comply, after appropriate notices, with a subpoena or warrant issued by the department or a county child support agency under s. 59.53 (5), Stats., and related to paternity or child support proceedings, as provided in a memorandum of understanding entered into under s. 49.857, Stats. (d) The department shall deny an application for the issuance or continuation of a license or revoke a license if the department of revenue certifies under s. 73.0301, Stats., that the applicant or licensee is liable for delinquent taxes. An action taken under this subsection is subject to review only as provided under s. 73.0301 (5), Stats., and not as provided in s. 48.72, Stats.

(8) EFFECT OF NOTICE TO DENY OR REVOKE A LICENSE. (a) 1. If the department decides under sub. (7) to deny the grant of a license or to revoke a license, the department shall notify the applicant or licensee in writing of its decision and the reasons for that decision.
    2. If the department revokes a license, the effective date of the revocation shall be either immediately or 30 days after the date of the notice, based on the criteria under s. 48.715 (4m) (a) and (b), Stats., unless the decision is appealed under sub. (10).

(b) Upon receipt of the notice in par. (a) and during any revocation or denial procedures that may result, a group child care center may not accept for care any child not enrolled as of the date of receipt of the notice without the written approval of the department.

(9) SUMMARY SUSPENSION OF A LICENSE. (a) Under the authority of s. 227.51 (3), Stats., the department shall summarily suspend a license and close a group child care center when the department finds that the public health, safety or welfare requires emergency action and incorporates a finding to that effect into its order. A finding of a requirement for summary suspension of the license may be based on any of the following:
   1. Failure of the licensee to provide environmental protections for the children, such as heat, water, electricity or telephone service.
   2. The licensee, an employee, a volunteer or any other person in regular contact with the children in care has been convicted of or has a pending charge for a crime against life or bodily security.
   3. The licensee, an employee, a volunteer or any other person in regular contact with the children in care has been convicted of a felony, misdemeanor or other offense that substantially relates to the care of children or activities of the center or has a pending charge that substantially relates to the care of children or activities of the center.
4. The licensee, employee, volunteer or any other person in regular contact with the children in care is the subject of a current investigation for alleged child abuse or neglect pursuant to s. 48.981, Stats., or has been determined by a child protective services agency or law enforcement agency to have abused or neglected a child.

5. The licensee or a person under the supervision of the license has committed an action or has created a condition relating to the operation or maintenance of the child care center that directly threatens the health, safety or welfare of any child under the care of the licensee.

(b) An order summarily suspending a license and closing a group child care center may be a verbal order by a licensing representative of the department. Within 72 hours after the order takes effect, the department shall either permit the reopening of the center or proceed under sub. (7) or (8) to revoke the license. A preliminary hearing shall be conducted by the department of administration’s division of hearings and appeals, within 10 working days after the date of the initial order to close, on the issue of whether the license shall remain suspended during revocation proceedings.
