**DHS 148.06 Donations of drugs and supplies.**

Donations of drugs and supplies by a pharmacy or medical facility shall be in compliance with all applicable federal and state laws, and administrative rules.

(1) **Eligibility.** To be eligible for participation in the drug repository program a pharmacy or medical facility shall be in compliance with all applicable federal and state laws, and administrative rules.

(2) **Notice of participation.** (a) A pharmacy or medical facility may elect to participate in the drug repository program by providing written notification to the department of all of the following:

1. The name, street address, and telephone number of the pharmacy or medical facility.
2. The name and telephone number of a pharmacist or another contact as determined by the pharmacist who is employed by or under contract with the pharmacy or medical facility.
3. A statement indicating that the pharmacy or medical facility meets the eligibility requirements under sub. (1), and the chosen level of participation described in par. (b).

(b) A pharmacy or medical facility may fully participate in the drug repository program by accepting, storing, and dispensing donated drugs and supplies, or may limit its participation to only accepting and storing donated drugs and supplies. If a pharmacy or facility chooses to limit its participation, the pharmacy or facility shall distribute any donated drugs to a fully participating drug repository following the requirements under s. DHS 148.09.

Note: Notices of participation in the drug repository program can be sent to the Department of Health Services, Division of Quality Assurance, 1 West Wilson St., Madison, WI 53701.

(3) **Withdrawal from participation.** A pharmacy or medical facility may withdraw from participation in the drug repository program at any time upon written notice to the department.

Note: A notice to withdraw participation from the drug repository program should be sent to the Department of Health Services, Division of Quality Assurance, 1 West Wilson St., Madison, WI 53701.

**DHS 148.09 Distribution of donated drugs and supplies.**

**DHS 148.10 Sale of donated drugs or supplies.**

**DHS 148.11 Recordkeeping requirements.**
ments under sub. (2), as determined by a pharmacist who is employed by or under contract with a drug repository:

(a) An individual who is 18 years old or older.

(b) A pharmacy, medical facility, manufacturer, or distributor, if the donated drugs have not been previously dispensed or administered.

(2) DRUGS AND SUPPLIES ELIGIBLE FOR DONATION. (a) Drugs. A drug is eligible for donation under the drug repository program only if all of the following requirements are met:

1. The donation is accompanied by a completed drug repository donor form that is signed by the person making the donation or that person’s authorized representative.

2. The drug’s expiration date is at least 90 days later than the date that the drug was donated.

3. The drug is in its original, unopened, tamper-evident packaging that includes the drug’s lot number and expiration date. Single-unit dose drugs may be accepted if the single-unit–dose packaging is unopened.

4. The drug is not adulterated or misbranded.

(b) Supplies. Supplies are eligible for donation under the drug repository program only if the supplies meet all of the following requirements:

1. The supplies are not adulterated or misbranded.

2. The supplies are in their original, unopened, sealed packaging.

3. The supplies are accompanied by a completed drug repository donor form that is signed by the person making the donation or that person’s authorized representative.

Note: Drug repository donor forms can be obtained from the Department’s website at http://www.dhs.wisconsin.gov/forms.

(3) DRUGS AND SUPPLIES NOT ELIGIBLE FOR DONATION. All of the following drugs are ineligible for donation or acceptance under the drug repository program:

(a) Controlled substances as defined in s. 961.01 (4), Stats.

(b) Drugs and supplies that do not meet the criteria under sub. (2).

(c) A drug for which the U.S. food and drug administration requires that a patient using the drug be enrolled in a registry as provided under 21 USC 355–1 (f) (3) (E).

(4) LOCATIONS WHERE DONATIONS MAY BE MADE. Drugs and supplies may be donated on the premises of a drug repository to a person designated by the repository. A drop box may not be used to deliver or accept donations.

(5) STORAGE. Drugs and supplies donated under the drug repository program shall be stored in a secure storage area under environmental conditions appropriate for the drugs or supplies being stored. Donated drugs and supplies may not be stored with non-donated inventory.
