**DHS 154.037 Retroactive eligibility.** Retroactive eligibility is not available under the adult cystic fibrosis program. Patients who are found to be eligible under s. DHS 154.03 become eligible for benefits on the date the application was received.

**History:** CR 04–051: cr. Register November 2004 No. 587, eff. 12–1–04.

**DHS 154.04 Patient certification.** (1) **APPLICATION.** To apply for assistance in paying for the costs of treatment of adult cystic fibrosis, a patient shall complete a form available from a cystic fibrosis treatment center, and shall submit the completed form either to the center or directly to the department. When an application form is submitted to a cystic fibrosis treatment center, the center shall forward the application form to the department within 14 days from the date of receipt.

(2) **NOTIFICATION OF APPLICANT.** The department shall certify a patient as eligible for reimbursement for part of the medical costs of treatment of cystic fibrosis if all requirements under s. DHS 154.03 are met. The department shall notify the patient, in writing, of its decision within 60 days after the department receives an application for assistance. If the application is denied, the notice shall include the reason for denial with information that the patient may request a hearing under sub. (7) on that decision.

(3) **RECERTIFICATION.** Certification is for one year. To be recertified, a participant shall complete, sign and submit to the department a financial statement form received from the department. The participant shall provide to the department full, truthful and correct information necessary for the department to determine eligibility and liability.

(4) **REVOCATION OR NONRENEWAL OF CERTIFICATION.** The department shall revoke or not renew a participant’s certification if the department finds that the participant is no longer eligible for the program. The department shall send written notice of revocation or nonrenewal to the participant, stating the reason for it and with information that the participant may request a hearing under sub. (7) on that decision.

(5) **PARTICIPANT RESPONSIBILITY TO PROVIDE INFORMATION.** (a) A participant shall inform the department within 30 days of any change in address, other source of health care coverage or family size, or any change in income of more than 10%.
(b) The department may verify or audit a participant’s total family income. The department may redetermine a participant’s estimated total family income for the current year based on change in the family’s financial circumstances.

(6) **CONFIDENTIALITY OF PATIENT INFORMATION.** All personally identifiable information provided by or on behalf of a patient to the department shall remain confidential and may not be used for any purpose other than to determine program eligibility, participant liability, the types of medical services required for proper care and the payment of claims. Statistical analyses of program data may not reveal patient identity.

(7) **APPEAL.** A patient denied assistance under sub. (2) or a participant whose certification is revoked or not renewed under sub. (4) may request a hearing on that decision under ss. 227.44 to 227.50, Stats., by the department of administration’s division of hearings and appeals. The request for a hearing shall be in writing and shall be sent to the office of administrative hearings so that it is received there within 30 days after the date of the notice of denial, revocation or nonrenewal of certification.

**Note:** The mailing address of the Division of Hearings and Appeals is P.O. Box 7875, Madison, Wisconsin 53707.

**DHS 154.06 Provider reimbursement.** (1) **CLAIM FORMS.** (a) A provider shall use claim forms furnished or prescribed by the department or its fiscal agent, except that a provider may submit claims by electronic media or electronic submission if the provider or billing service is approved by the department for electronic claims submission.
(b) Claims shall be submitted in accordance with the claims submission requirements, claim form instructions and coding information provided by the department or its fiscal agent.
(c) Every claim submitted shall be signed by the provider or the provider’s authorized representative, certifying to the truthfulness, accuracy and completeness of the claim.

(2) **TIMELINESS.** (a) A claim shall be submitted within 12 months after the date that medical services were provided, except that a claim may be submitted later if the department is notified within that 12 month period that the sole reason for late submission concerns another funding source and the claim is submitted within 180 days after obtaining a decision on reimbursement from the other funding source.
(b) A claim may not be submitted until after the patient has received the medical services.

(3) **PAYMENT.** (a) The department shall establish allowable costs for medical services as a basis for reimbursing providers.
(b) Reimbursement may not be made for any portion of the cost of medical care which is payable under any other state or federal program or any grant, contract or contractual agreement.
(c) Before submitting a claim to the adult cystic fibrosis program, a provider shall seek payment for services provided to a participant from medicare, medical assistance or another health care plan if the participant is eligible for services under medicare, medical assistance or the other health care plan.
(d) When benefits from medicare, medical assistance or another health care plan or other third party payer have been paid, in whole or in part to the provider or participant, the amount of the payment from all other payers shall be indicated on or with the bill to the adult cystic fibrosis program. The amount of the medicare, medical assistance, other health care plan or other third party payer reimbursement shall reduce the amount of the claim for adult cystic fibrosis program payment.
(e) If a provider receives a payment under the program to which the provider is not entitled or in an amount greater than that
to which the provider is entitled, the provider shall promptly return the amount of the erroneous or excess payment to the department.

(f) A provider may request a hearing to review a decision to deny payment or the level of payment. A request for a hearing shall be filed with the department of administration’s division of administrative hearings within 90 days after the date of the payment or decision to deny payment. A request for a hearing is considered filed upon its receipt by the division of administrative hearings. All appeals shall include written documentation and any information deemed necessary by the department. Hearings shall be conducted in accordance with subch. III of ch. 227, Stats.

Note: The mailing address of the Division of Administrative Hearings is P.O. Box 7875; Madison, Wisconsin 53707.

(g) The department shall use common methods employed by managed care programs and the medical assistance program to contain costs, including prior authorization and other limitations regarding health care utilization and reimbursement.

(c) When total family income is more than 275% but not more than 300% of the federal poverty guidelines, 1.0% of that income.

(d) When total family income is more than 300% but not more than 325% of the federal poverty guidelines, 1.25% of that income.

Note: To illustrate how a patient’s coinsurance liability is calculated, assume that the family has 2 members and an annual income of $38,000, and that a bill has been received for treatment in the amount of $600. The patient would be liable for 16% of that bill, or $96.
