Ins 41.01 Domestic insurers required to file reports of material transactions. (1) Domestic insurers shall file a report with the commissioner disclosing material acquisitions and dispositions of assets or material nonrenewals, cancellations or revisions of ceded reinsurance agreements unless such acquisitions and dispositions of assets or material nonrenewals, cancellations or revisions of ceded reinsurance agreements have been submitted to the commissioner for review, approval or information purposes pursuant to other provisions of chs. 600 to 645, Stats.

(2) The report required in sub. (1) is due within 15 days after the end of the calendar month in which any of the transactions which are required to be reported occur.

Ins 41.05 Acquisitions and dispositions of assets.

(1) An acquisition or disposition of assets is not required to be reported under s. Ins 41.01 if the acquisition or disposition is not material. For purposes of this chapter a material acquisition, or the aggregate of any series of related acquisitions during any 30-day period, or disposition, or the aggregate of any series of related dispositions during any 30-day period, is one that is nonrecurring and not in the ordinary course of business and involves more than 5% of the reporting insurer's total admitted assets as reported in its most recent statutory statement filed with the insurance department of the insurer's state of domicile.

(2) Asset acquisitions subject to this chapter include every purchase, lease, exchange, merger, consolidation, succession, or other acquisition other than the construction or development of real property by or for the reporting insurer or the acquisition of materials for this purpose.

(3) Asset dispositions subject to this chapter include every sale, lease, exchange, merger, consolidation, mortgage, hypothecation, assignment, whether for the benefit of creditors or otherwise, abandonment, destruction, or other disposition.

(4) The following information is required to be disclosed in any report of a material acquisition or disposition of assets under this chapter:

(a) Date of the transaction.

(b) Manner of acquisition or disposition.

(c) Description of the assets involved.

(d) Nature and amount of the consideration given or received.

(e) Purpose of, or reason for, the transaction.

(f) Manner by which the amount of consideration was determined.

(g) Gain or loss recognized or realized as a result of the transaction.

(h) Name of the person from whom the assets were acquired or to whom they were disposed.

(5) Insurers are required to report material acquisitions and dispositions under this chapter on a nonconsolidated basis unless the insurer is part of a consolidated group of insurers which utilizes a pooling arrangement or 100% reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer ceded substantially all of its direct and assumed business to the pool. An insurer is deemed to have ceded substantially all of its direct and assumed business to a pool if the insurer has less than \$1,000,000 total direct plus assumed written premiums during a calendar year that are not subject to a pooling arrangement and the net income of the business not subject to the pooling arrangement represents less than 5% of the insurer's capital and surplus.

2. For life, annuity and accident and health business the total reserve credit taken for business ceded represents, on an annualized basis, less than 10% of the statutory reserve requirement prior to any cession.

(2) The following information is required to be disclosed in any report of a material nonrenewal, cancellation or revision of ceded reinsurance agreements:

- (a) Effective date of the nonrenewal, cancellation or revision.
