### **Comments**

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]**

#### **2. Form, Style and Placement in Administrative Code**

a. In s. NR 728.11 (3), the second clause of the sentence should be rewritten in the active voice, as follows: “..., the department may record a second affidavit at the office of the register of deeds...”

b. The discussion of subsequent filings is very brief in comparison to the discussion of the filing of the original notice. Should sub. (3) be expanded to specify the contents of the second affidavit? Should it specify any procedures for filing the second affidavit, such as notification of the property owner?
