Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

a. In s. PD 3.02 (1), the current amounts for first-degree intentional homicide which are being amended should be shown in the rule with a strike-through. In addition, it appears that the last category in the schedule, “Involuntary termination of parental rights,” is new material and should, accordingly, be shown underscored.

b. In s. PD 3.04 (1), the comma following the reference to s. PD 3.02 (1) in the current rule should be shown with a strike-through and the period at the end of the subsection should not be stricken.

c. The phrase “in the Wisconsin administrative register” could be inserted after the word “publication” and before the comma in the effective date provision of the rule. [See s. 1.02 (4) (a), Manual.]
