CLEARINGHOUSE RULE 95-231

Comments

[NOTE: All citations to "Manual" in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

- a. SECTIONS 7, 8 and 9 should be combined into a single SECTION of the rule-making order. Likewise, SECTIONS 12 and 13 should be combined. [See s. 1.04 (2) (a), Manual.]
- b. In the amendment to s. ILHR 41.42 (1), the new underscored material should immediately follow the stricken material. [See s. 1.06 (1), Manual.]
- c. The analysis to the rule states that Appendix B to chs. ILHR 41 and 42 will be updated to comport with the 1995 edition of the Boiler and Pressure Vessel Code. The body of the rule also contains a Note to the revisor that several changes will be made in Appendix B in order to update that material. If this material has the force and effect of law, it should be treated in a normal rule promulgation and should be subject to legislative review.
