CLEARINGHOUSE RULE 96-030

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

a. In SECTION 1 of the rule, the heading “WGC 34.13 (1) (d)” should be inserted immediately prior to the text of the amended paragraph.

b. When material, including a single word, is deleted and material is added to a rule in the same location, the new underscored material always immediately follows the stricken material. Therefore, in SECTION 1 of the rule, \$15 should follow ~~\$50~~. [See s. 1.06 (1) and (2), Manual.]

c. The effective date provision of the rule should be contained in an unnumbered provision at the end of the rule. [See s. 1.02 (4) (d), Manual.]
