CLEARINGHOUSE RULE 96-066

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

- a. The analysis of the rule would tend to be more helpful if it actually explained the “minor adjustment” to the definition that the rule makes. [See s. 1.02 (2), Manual.]
- b. The phrase “Administrative Register” in the effective date section of the rule should not be capitalized.

4. Adequacy of References to Related Statutes, Rules and Forms

- a. The Proposed Order of the Office of the Commissioner of Savings and Loan indicates that the rule amends s. S-L 3.08 (4) (e). The rule amends s. SB 3.08 (4) (e). The proposed order should be clarified.
- b. The reference to s. 227.22 (2), Stats., in the effective date section of the rule should be a reference to s. 227.22 (2) (intro.), Stats. [See s. 1.02 (4), Manual.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

In the fiscal estimate to the rule, the term “impac” should be replaced by the word “impact.”
