CLEARINGHOUSE RULE 97-004

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

- a. Parenthetical material should be avoided in rules. [s. 1.01 (6), Manual.] Therefore, in s. Comm 113.02 (6), the parenthetical material should be worked into the text.
- b. In s. Comm 113.03, “to be” should be deleted in the second line.
- c. In s. Comm 113.08 (1) (b), “reasonably” should replace “reasonable.”

4. Adequacy of References to Related Statutes, Rules and Forms

- a. The third item of the analysis refers to s. Comm 113.05 (2). The correct reference is s. 113.06 (2).
- b. Section Comm 113.07 (5) refers to termination of allocations “. . . pursuant to subs. (6) and (8).” However, there is no sub. (8) in s. Comm 113.07 and sub. (6) relates to approval of an allocation in excess of \$5 million. Is the correct cite s. Comm 113.06 (6) and (8)?
