CLEARINGHOUSE RULE 97-032

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

The following problems are noted with regard to material currently placed in SECTION 1 of the rule:

- a. The word “Section” in the phrase “Section 1” should be in solid capital letters. [See s. 1.04 (1), Manual.]
- b. SECTION 1 should contain just the renumbering of s. PD 2.06 to s. PD 2.06 (1) and the amendments to that renumbered provision. Hence, the treatment clause to SECTION 1 should read: “PD 2.06 is renumbered PD 2.06 (1) and amended to read:”.
- c. With regard to the title to s. PD 2.06, “(title)” should be inserted immediately after the “PD 2.06” to indicate that the title is being amended. [See s. 1.05 (3), Manual.]
- d. The material in s. PD 2.06 (2), currently set forth at the end of SECTION 1, should be moved to a SECTION 2, with the following treatment clause: “SECTION 2. PD 2.06 (2) is created to read:”. The text of s. PD 2.06 (2) should not be underscored, as it comprises a newly created entire rule unit. [See s. 1.06 (1), Manual.]
