2. Form, Style and Placement in Administrative Code

- a. The agency may wish to put the text of the rule in the definition section of ch. ATCP 105 instead of putting it in the last section of the chapter.
- b. It is not clear how a retailer will be able, prior to a sale, to determine some discounts, rebates or credits. As a result, some individual sales may be made at less than the seller's cost, causing a violation of the law. The agency may want to address this issue in the final rule.
