CLEARINGHOUSE RULE 06-071

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]

2. Form, Style and Placement in Administrative Code

a. In s. Comm 20.10 (3) (a) (intro.), the phrase “all of” should precede the phrase “the following.” [See also s. Comm 21.40 (2) (b) (intro.).]

b. In s. Comm 21.40 (1) (a) (intro.), the word “rule” should be replaced by the word “section.” [See also subs. (2) (a) and (b) (intro.) and see s. Comm 20.04 (5).]

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In the second paragraph of the rule preface summary of factual data and analytical methodologies, the comma following the phrase “Manufactured Homes” should be deleted.

b. In s. Comm 20.04 (2) (a) and (b), the use of the phrase “the current code” is vague. It is unclear why the phrase “this code” is inadequate. If additions or alterations must comply with something other than the existing code, then language comparable to that found in s. Comm 21.40 (2) (a) should be used.
