CLEARINGHOUSE RULE 07-105

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]

2. Form, Style and Placement in Administrative Code

- a. In s. NR 460.06 (1) (b), the word “If” from the text of the original rule should be inserted and stricken-through before the phrase “Except as provided in par. (d), if”.
- b. In s. NR 469.01 (1) (g), both instances of “affected facility” should be in quotes. The same problem occurs in s. NR 469.085 (1).
- c. In s. NR 469.04, is there significance to including the Drafter’s Notes in this section?

5. Clarity, Grammar, Punctuation and Use of Plain Language

- a. In s. NR 460.06 (1) (d) 1., it appears that “part” should be replaced by either “subsection” or “section”. Also, it appears that sub. (1) (d) 4. should only include department approval under “subd. 3.”.
- b. In s. NR 469.01 (1) (a), can the department describe in a note where to find EPA test method 18?
- c. In s. NR 469.04 (4), it appears that “administrator” should be changed to “department”.
- d. In s. NR 469.085 (5) (b), “machines” should be changed to the singular.
