CLEARINGHOUSE RULE 08-090

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. The maps included with the rule package appear to be incorrect. First, the map for the cover page of Appendix A to ch. ATCP 30 shows a portion of Columbia County in lighter shading than the other atrazine prohibition areas in the state. It appears that this area should be shaded black. Also, two maps are included for atrazine prohibition area 09-11-01, one of which shows the same portion of Columbia County with light shading, the other with black shading. It appears that the map with black shading is the correct map and that the other map should be omitted.

b. In SECTION 3 of the rule, “number” should be replaced with “numbered.”
