Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated September 2008.]

2. Form, Style and Placement in Administrative Code

a. In the attached application form under “1. General Information”, the department may want to consider adding a space to include the contact person’s mailing address similar to the space for the program coordinator’s mailing address.

b. In the attached application form under “III. Assurances”, the numbering should be corrected because it omits “6.” Additionally, assurances 4, 5, 7, 12 to 14, 16, and 17 contain substantive material that should be included in the text of the rule.

4. Adequacy of References to Related Statutes, Rules and Forms

The rule should reference the attached application form by indicating in a note how it may be obtained.

5. Clarity, Grammar, Punctuation and Use of Plain Language

- a. In s. PI 39.03 (1), what does “in conjunction with a tribal education authority mean? Also, “January 29, 2010” should replace “January 29, 2009”.
- b. In s. PI 39.03 (2), the term “co-curricular offering” should be defined.
- c. In s. PI 39.03 (a), what must be contained in the “needs assessment”?

- d. In s. PI 39.03 (3) (c), what is a “leadership team”?
- e. In s. PI 39.03 (j), what is a “consortium agreement”? What terms are required to be in the agreement and who needs to be a party to the agreement?
