[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated September 2008.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. Section Comm 138.30 (1) (intro.) should read “woody biomass harvesting and processing credit” to make the language consistent with the name of the credit and the title of the chapter.

b. In s. Comm 138.50, the word “their” should be replaced with “its” so that the sentence reads “...the department shall notify each applicant of the outcome of its application...”

c. In s. Comm 138.50, the hyphen between “application” and “and” should be deleted.
