CLEARINGHOUSE RULE 15-011

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]

4. Adequacy of References to Related Statutes, Rules and Forms

In the analysis of the proposed rule, the agency should refer to ch. PI 34 as a related rule. The agency may also wish to include references to s. 115.28 (7) (h), Stats., in its description of statutory authority and explanation of agency authority in order to complement the existing references in the plain language analysis.
