#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]**

#### **5. Clarity, Grammar, Punctuation and Use of Plain Language**

a. For clarity, the board should add the phrase “controlled substance” to the end of the text in the rule summary’s section titled “Summary of, and comparison with, existing or proposed federal regulation”.

b. The board should remove the first use of the word “substance” in the rule summary’s section titled “Analysis and supporting documents used to determine effect on small business or in preparation of economic impact analysis”.
