### CLEARINGHOUSE RULE 20-036

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]**

#### **1. Statutory Authority**

a. In the analysis for the proposed rule, the board should add s. 459.06, Stats., to the list of statutes interpreted by the rule, since the proposed rule includes a modification to the examination requirements for licensure in s. HAS 3.03.

b. In the analysis for the proposed rule, the board should remove the citation to sub. (2) of s. 459.12, Stats., from the listing of statutory authority for the rule. That subsection is not described in the explanation of agency authority, and does not appear to apply to the provisions treated in the rule.
