CLEARINGHOUSE RULE 24-046

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Council Staff and the Legislative Reference Bureau, dated November 2020.]

1. Statutory Authority

a. In the rule summary’s listing of statutes interpreted, it appears that a citation to s. 446.028 (3), Stats., should be added. Additionally, consider adding sub. (6m) to the listing of s. 446.02 (2) (c), Stats., or listing s. 446.02 (6m), Stats., under the heading for related statutes or rules, as it more broadly addresses the practice of nutritional counseling.

b. In the rule summary’s listing of statutory authority, the reference to s. 446.02 (2) (c), Stats., should more precisely cite to par. (c) 2. Likewise, in the explanation of agency authority, the material quoted from par. (c) 1. should be revised to quote par. (c) 2., which provides, in part, that a postgraduate study in nutrition must satisfy all of the requirements “established by the examining board by rule”.
