DEPARTMENT OF FINANCIAL INSTITUTIONS, DIVISION OF BANKING
ADOPTING RULES**

- 1 The Wisconsin Department of Financial Institutions, Division of Banking proposes an order to
2 repeal and recreate ch. DFI—Bkg 74 relating to collection agencies.

Analysis Prepared by the Division of Banking

Statute(s) interpreted: ss. 218.04, 220.02(2) and 220.02(3), Stats.

Statutory authority: ss. 218.04(7)(d) and 227.11(2), Stats.

Related statute or rule: none.

Explanation of agency authority: Pursuant to ss. 218.04, 220.02(2) and 220.02(3), Stats., the department regulates collection agencies.

Summary of proposed rule: The objective of the rule is to repeal and recreate ch. DFI—Bkg 74 relating to collection agencies. The purpose of this rule is to update code provisions relating to collection agencies. Administrative code provisions regarding collection agencies have not been substantially revised or updated since 1965. In the proposed rule out-dated provisions are removed, minor technical changes are made, and the remaining provisions are streamlined to reflect current practices. These provisions regard definitions, office requirements, office relocations and material changes, agreements and acknowledgments, remittance statements, trust fund accounts, books and records, disclosure of rates in advertising, furnishing reports to creditor on written request, procedures for return or cancellation of accounts, general matters, annual reports, fair collection practice notices, use of aliases, unauthorized practice of law, oppressive and deceptive practices and use of data processing.

Summary of and preliminary comparison with existing or proposed federal regulation: there is no existing or proposed federal regulation addressing the matters set forth in the proposed rule with the exception of acts such as the Fair Debt Collection Practices Act.

Comparison with rules in adjacent states: Michigan, Illinois and Indiana similarly regulates collection agencies. Iowa does not.

Summary of factual data and analytical methodologies: the department reviewed its regulatory practices and procedures, and met with industry groups to determine the necessary revisions.

Analysis and supporting documentation used to determine effect on small business: the rule revises or eliminates already existing requirements, and imposes no new substantial requirements or cost, thereby benefiting small business; therefore, the rule has no effect on small business.

Summary of Final Regulatory Flexibility Analysis: This proposed rule will have no adverse impact on small businesses.

268 collected are to be applied. A receipt and a remittance statement shall be issued in connection
