

BEFORE THE  
DEPARTMENT OF NATURAL RESOURCES

NOTICE OF PUBLIC HEARING  
FR-12-08

NOTICE IS HEREBY GIVEN that pursuant to s. 227.11(2)(a), Stats., interpreting s. 28.11(5m)(am), Stats., the Department of Natural Resources will hold a public hearing on the revision of s. NR 47.70, Wis. Adm. Code, relating to the county forest administration grant program. The amendment of s. 28.11(5m), Stats., in the recent budget necessitates changes to s. NR 47.70, Wis. Adm. Code, to implement the statutory change to the county forest administration grant program. The change makes eligible for cost-sharing a county's dues to a non-profit organization that represents the collective interests of counties in the county forest program and that serves as a liaison to the Department of Natural Resources. Previously known as the County Forest Administrator Grant, this grant program provides encouragement to counties to hire professional forestry staff to manage their county forests. The previous version of this grant provided 50% cost-sharing of the salary and benefits for a professional forester in the position of county forest administrator or assistant county forest administrator. Those payments would continue under the new version of the program along with cost-sharing of the non-profit organization dues. The maximum payment for the dues portion of this grant for all participating county forests combined is \$50,000 annually.

NOTICE IS HEREBY FURTHER GIVEN that pursuant to s. 227.114, Stats., it is not anticipated that the proposed rule will have an economic impact on small businesses. The Department's Small Business Regulatory Coordinator may be contacted at [SmallBusiness@dnr.state.wi.us](mailto:SmallBusiness@dnr.state.wi.us) or by calling (608) 266-1959.

NOTICE IS HEREBY FURTHER GIVEN that the Department has made a preliminary determination that this action does not involve significant adverse environmental effects and does not need an environmental analysis under ch. NR 150, Wis. Adm. Code. However, based on the comments received, the Department may prepare an environmental analysis before proceeding with the proposal.
