Assumptions Used in Arriving at Fiscal Estimate

The Bureau of Fisheries Management and Law Enforcement request authorization to hold public hearings on a number of non-substantive ("housekeeping") changes to rules related to recreational fishing in the inland and boundary waters of Wisconsin. These changes do not reflect changes in Department policy and are limited to clarifications of existing code or changes to pieces of code which do not accurately reflect rules previously adopted by the Natural Resources Board and reviewed by the Legislature, after appropriate public hearings.

None of the proposed changes have fiscal impacts.
