

Clearinghouse Rule 09-058

**PROPOSED ORDER OF THE STATE OF WISCONSIN
DEPARTMENT OF TRANSPORTATION
ADOPTING RULES**

The Wisconsin Department of Transportation proposes to adopt an order amending TRANS 315.03(1)(a) and (c), relating to safety belt medical use exemption.

Analysis Prepared by the Wisconsin Department of Transportation

Statutes interpreted: s. 347.48(2m)(e), Stats.

Statutory authority: ss. 84.015, 84.41(7) and 347.48(2m)(e), Stats.

Explanation of agency authority: Current law requires every person over 8 years of age to be properly restrained by a safety belt whenever traveling in a motor vehicle. Current law allows the Department to exempt from this safety belt use requirement any person who, because of a physical or medical condition, cannot properly be restrained in a safety belt. Department rules authorize physicians, chiropractors and Christian Science practitioners to grant exemptions from wearing safety belts. Federal law makes highway safety grant moneys available for safety belt use requirements, but federal law recognizes only medical exemptions issued by physicians. Federal grant moneys expire on July 1, 2009, and this state may not qualify for approximately \$15,000,000 in federal moneys if persons other than physicians are authorized to exempt persons from safety belt use laws.

Related statute or rule: 23 USC 406, 71 Fed. Reg. 4196 (Jan. 25, 2006).

Plain language analysis: This rule making deletes authority of any person other than physicians to exempt persons from safety belt use requirements. This rule making will result in increased use of safety belts, and increase receipt of federal moneys for highway safety activities.

Summary of, and preliminary comparison with, existing or proposed federal regulation: Federal policy states that safety belt use requirements do not apply to, "Persons with medical conditions who are unable to use a safety belt, provided there is written documentation from a physician." The Department's current rules go further by allowing chiropractors and Christian Science practitioners to grant those exemptions.

Comparison with Rules in Adjacent States:

Michigan: Mich. Comp. Laws. Annot. 257.710e(1)(e) exempts a person who possesses a written statement from a physician from safety belt use requirements. The Department was unable to identify any administrative rules on this topic.

Minnesota: Minn. Stats. Annot. § 169.686 (2)(3) allows physicians to exempt persons from safety belt use requirements. The Department was unable to identify any administrative rules on this topic.

Illinois: 92 IL Admin. Code 1030.84 exempts from safety belt use requirements only to a person “possessing a written statement from a physician that the person is unable, for medical or physical reasons, to wear a seat safety belt.”

Iowa: IA Admin. Code 761-600.16(321) authorizes physicians and chiropractors to exempt a person from safety belt use requirements for medical reasons. The Department identified no authority for Christian Science practitioners to exempt persons from safety belt use requirements.

Summary of factual data and analytical methodologies used and how the related findings support the regulatory approach chosen: None. NHTSA legal counsel informed the Department that in order to qualify for funds under 23 USC 406, any administrative rule that exempts a person from safety belt use requirements must be consistent with the medical exemption permitted in the implementing guidelines for section 406 eligibility. Those guidelines limit the exemption to physicians.

Analysis and supporting documentation used to determine effect on small businesses: This rule making has no effect on small businesses.

Effect on small business: This rule making will eliminate one issue of noncompliance specifically identified by NHTSA that makes Wisconsin ineligible for approximately \$15,000,000 in federal safety belt use grant moneys. The Department’s Regulatory Review Coordinator may be contacted by e-mail at ralph.sanders@wisconsin.gov, or by calling (414) 438-4585.

Fiscal effect and anticipated costs incurred by private sector: The Department estimates that there will be no fiscal impact on the liabilities or revenues of any county, city, village, town, school district, vocational, technical and adult education district, sewerage district, or federally-recognized tribes or bands. The Department estimates that there will be no fiscal impact on state or private sector revenues or liabilities.

Agency contact person and place where comments are to be submitted and deadline for submission: The public record on this proposed rule making will be held open until close of business the day of the hearing to permit the submission of comments in lieu of public hearing testimony or comments supplementing testimony offered at either hearing. Any such comments should be submitted to Laura Andreasson, Department of Transportation, Division of State Patrol, Room 551, P. O. Box 7936, Madison, WI 53707-7936. You may also contact Laura by phone at (608) 267-5136 or via e-mail at laura.andreasson@wisconsin.gov.
