Assumptions Used in Arriving at Fiscal Estimate

2007 Act 20 included reauthorization of the Knowles Nelson Stewardship Program which is the primary funding source for acquiring land for conservation and public outdoor recreation. Act 20 included a provision that certain lands acquired with funds from the Stewardship Program under ss. 23.0915 and 23.0917, Stats., be open to five nature based outdoor activities (NBOA's): hunting; trapping; hiking; fishing; and cross country skiing. The Act also provides for exceptions to the statute if it is necessary to prohibit one or more of the activities to protect public safety, protect unique plant and animal communities or to accommodate usership patterns.

This rule implements ss. 23.0916, Stats., by creating standards and criteria that will be used by the Department to determine whether it is necessary to prohibit one or more nature based outdoor activities. The Department does not anticipate any fiscal impact to state or local government as it implements CH. NR 52.
