Assumptions Used in Arriving at Fiscal Estimate

The proposed rules establish criteria for waiving the requirement to schedule at least the number of hours of direct pupil instruction specified under s. 121.02 (1) (f) 2., Stats., if a school is closed by a school district administrator, the Department of Health Services, or the local health officer under s. 115.01 (10) (a) 2. or 3., Stats.

State:
 The costs associated with administering requests for these waivers will be absorbed by the department.

Local:
 School districts may, but are not required to, apply for a waiver for the required number of hours of direct pupil instruction. The application procedures should not have a fiscal effect. The fiscal effect on a district that receives an approved waiver is indeterminate.

The proposed rules will have no significant economic impact on small businesses, as defined in s. 227.114 (1) (a), Stats.
