#### *Analysis by the Department of Revenue*

**Statutes interpreted:** s. 71.91 (8), Stats.

**Statutory authority:** s. 71.91 (8) (b), Stats.

**Explanation of agency authority:** Section 71.91 (8) (b), Stats., provides that the department shall promulgate rules specifying procedures to enter into agreements with financial institutions doing business in the state to operate the financial record matching program.

**Related statute or rule:** ss. 71.78 (1) and 77.61 (5) (a), Stats.

**Plain language analysis:** This proposed rule does the following:

- Provides procedures under which the department and a financial institution doing business in Wisconsin shall enter into an agreement for the exchange of data for purposes of operating the financial record matching program.
- Provides the two methods under which the department and a financial institution doing business in Wisconsin may exchange data under the financial record matching program.

**Summary of, and comparison with, existing or proposed federal regulation:**

There is no existing or proposed federal regulation that is intended to address the activities to be regulated by the rule.

**Comparison with rules in adjacent states:**

The department is not aware of a similar rule in an adjacent state.

**Summary of factual data and analytical methodologies:** 2009 Wisconsin Act 28 created the financial record matching program. **Analysis and supporting documents used to determine effect on small business:** Currently all financial institutions doing business in the state are required to participate in the financial records matching program according to s. 49.853, Stats., operated by the Wisconsin Department of Children and Families. There is no impact on smaller financial institutions.

**Anticipated costs incurred by private sector:** This proposed rule does not have a significant fiscal effect on the private sector.

**Effect on small business:** This proposed rule does not have a significant effect on small business.
