Assumptions Used in Arriving at Fiscal Estimate

The proposed rules implement a statewide smoking ban in enclosed areas of public buildings and places of employment similar to the publicized objectives of 2009 Wisconsin Act 12. The rules would apply to all existing and future public buildings and places of employment. The department does not believe that the proposed rules will increase the effect on small businesses over the publicized objectives of the Act.

Long-Range Fiscal Implications

No long range fiscal implications are anticipated.
