Affected Chapter 20 Appropriations

Assumptions Used in Arriving at Fiscal Estimate

2007 Wis. Act 20 included reauthorization of the Knowles-Nelson Stewardship Program until 2020 with annual appropriations of \$86 million. Standards and criteria for grants issued to local units of government, non-profit conservation organizations, and Friends groups under the Stewardship Program are outlined in Chapter NR 51.

This proposed rule revision accomplishes several tasks:

- 1) NR 51 has not been updated since 1999. The proposed rule makes numerous "housekeeping" changes, provides administrative clarifications, provides several new definitions, and outlines administrative policy decisions that have been implemented since NR 51 was last updated.

- 2) 2007 Wis. Act 20 also added two new grant programs, and required that the recreational boating facilities grant program be funded under the Stewardship program. Three new subchapters have been added to ch. NR 51 to be in compliance with these requirements. These new subchapters address grants for county forests (as outlined in s. 23.0953 (2)(a)1., Stats), grants to counties when the DNR asks for assistance (as outlined in s. 23.0953 (2)(a)2., Stats), and recreational boating facilities grants (as required under 23.0917 (2)(a)3m).

- 3) 2007 Wis. Act 20 also required that lands purchased with funds from the Stewardship Program under ss. 23.0915 and 23.0917, Stats., be open to hunting, trapping, hiking, fishing and cross country skiing unless the Natural Resources Board determines it is necessary to prohibit one or more of the nature-based activities to protect public safety, protect unique plant and animal communities, or to accommodate usership patterns. Provisions have been added to NR 51 to be in compliance with this requirement, and with the proposed NR 52.

None of the proposed changes have a fiscal impact.
