Subsidized Guardianship

DCF 55

The Wisconsin Department of Children and Families proposes to create ch. DCF 55, relating to subsidized guardianship.

Analysis Prepared by the Department of Children and Families

Statutory authority: Sections 48.623 (7) and 227.11 (2), Stats.

Statutes interpreted: Sections 48.57 (3) (a), 48.623, 48.685, and 48.977 (3r), Stats., and s. 48.62 (5), 2009 Stats.

Related statute or rule: Chapters DCF 50 and 56

Explanation of Agency Authority

Section 48.623 (7), Stats., as created by 2011 Wisconsin Act 32, provides that the department shall promulgate rules to implement s. 48.623, Stats. Those rules shall include all of the following:

- A rule defining the substantial change in circumstances under which a person receiving monthly subsidized guardianship payments may request that an agreement be amended to increase the amount of those payments.
- Rules establishing requirements for submitting a request and criteria for determining the amount of the increase in monthly subsidized guardianship payments that a county department or the department shall offer if there has been a substantial change in circumstances and if there has been no substantiated report of abuse or neglect of the child by the person receiving those payments.
- Rules establishing the criteria for determining the amount of the decrease in monthly subsidized guardianship payments that the department shall offer if a substantial change in circumstances no longer exists. The criteria shall provide that the amount of the decrease offered by the department may not result in a monthly subsidized guardianship payment that is less than the initial monthly subsidized guardianship payment provided for the child.

Summary of the Proposed Rules

The proposed rules implement a new statewide subsidized guardianship program under s. 48.623, Stats., as created by 2011 Wisconsin Act 32. In general, the subsidized guardianship program provides assistance for the care of a child who has been removed from his or her home if returning home or being adopted is not in the child's best interests and a relative or like-kin individual who is a foster parent has a strong commitment to permanently caring for the child.

The proposed rules include a procedure for agencies to use to inform a prospective guardian of eligibility for assistance and expectations involved with various permanency options for the child. If the prospective guardian decides to pursue subsidized guardianship and the prospective guardian and child are eligible, the agency shall enter into a subsidized guardianship agreement with the prospective guardian before guardianship is established. The proposed rules specify the topics that must be included in the agreement.

The initial subsidized guardianship payment amount that is incorporated into the subsidized guardianship agreement is the same amount that the prospective guardian received as a foster parent in the month before guardianship was established or a lesser amount if agreed to by the prospective guardian. In general, the payment amount may be adjusted based on the circumstances of the guardian and the needs of the child. A payment amount may not be adjusted if the prospective guardian's foster home was certified at Level 1 on the date that the prospective guardian signed the subsidized guardianship agreement. A foster parent who operates a Level 1 foster home is not eligible for supplemental payments.

For a subsidized guardianship agreement entered into on or after July 1, 2011, under s. 48.623, Stats., a supplemental payment amount based on the needs of the child is determined under s. DCF 56.23 (2) (a) in a manner similar to a supplemental payment for foster care and an adoption assistance agreement entered into on or after July 1, 2011. For a subsidized guardianship agreement entered into as part of the Bureau of Milwaukee Child Welfare demonstration project that was authorized by a federal waiver and s. 48.62 (5), 2009 Stats., before July 1, 2011, a supplemental payment is determined under the section of the previous version of ch. DCF 56 that was used for determining a supplemental payment before the standardized assessment tool in s. DCF 56.22 was implemented in 2011. The previous method of determining a supplemental payment is incorporated into the proposed rules at s. DCF 55.09. The previous method of determining a supplemental payment is also used for an adoption assistance agreement entered into before July 1, 2011.

Adjusting the supplemental payment based on the circumstances of the guardian and the needs of the child requires an amendment to the subsidized guardianship agreement. The proposed rules provide the process for determining whether the agreement should be amended. An amendment may not be effective for more than one year. The rules also provide a process for reviewing an amendment shortly before it will expire to determine whether it is appropriate to enter into a new amendment or to return to the amount in the initial subsidized guardianship agreement.

The proposed rules provide for review of the guardian and child's continued eligibility for subsidized guardianship at an annual review date, upon receipt of notification from the guardian

of a change in circumstances, if the agency knows or suspects that a change affecting eligibility has occurred, and beginning 6 months before the child's 18th birthday to determine whether eligibility is expected to continue when the child turns 18 years old.

Eligibility may continue when the child is 18 years old if he child is enrolled in and regularly attending a secondary education classroom program leading to a high school diploma and no other changes affecting eligibility have occurred. Eligibility may continue when the child is 19 or 20 years old if the child is enrolled in and regularly attending a secondary education classroom program leading to a high school diploma; the child has a physical, emotional, or behavioral need; the Social Security Administration has determined that the child is ineligible for Social Security disability insurance or Supplemental Security Income for not meeting the disability standard; the agency determines that the child's physical, emotional, or behavioral need warrants the continuation of assistance; and no other changes affecting eligibility have occurred.

The rules also include the process for a person to petition the Division of Hearings and Appeals for review of an agency action or failure to act. In addition, the rules provide the procedures for determining eligibility of an interim caretaker to receive subsidized guardianship payments upon the death or incapacity of the guardian or termination of a guardianship.

Sections DCF 55.06 (2) (k) and 55.12 (4) provide that an agency may recover any overpayment made to a current or former guardian or interim caretaker by any legal means as determined by the agency. An overpayment to a guardian or interim caretaker who continues to receive subsidized guardianship payments may be recovered by reducing the amount of the person's monthly payment.

Summary of Factual Data and Analytical Methodologies

The procedures for determining whether a subsidized guardianship payment should be adjusted based on a substantial change in circumstances are similar to the procedures used for adoption assistance and foster care. No data was used.

Summary of Related Federal Requirements

The Fostering Connections to Success and Increasing Adoptions Act of 2008 creates an option for states to operate a guardianship assistance program and receive federal reimbursement for a percentage of the expenditures under Title IV-E of the Social Security Act. Once a state adopts the option in the state plan, assistance must be provided to any child who is eligible.

42 USC 671 (a) (28) provides that an agency may enter into kinship guardianship assistance agreements to provide kinship guardianship assistance payments on behalf of children to grandparents and other relatives who have assumed legal guardianship of the children for whom they have cared as foster parents and for whom they have committed to care on a permanent basis.

42 USC 673 (d) provides that a child is eligible for kinship guardianship assistance payments if all of the following apply:

- The child was removed from his or her home pursuant to a voluntary placement agreement or as a result of a judicial determination that continuation in the home would be contrary to the welfare of the child.
- The child was eligible for foster care maintenance payments while residing for at least 6 consecutive months in the home of the prospective relative guardian.
- Being returned home or adopted are not appropriate permanency options for the child.
- The child demonstrates a strong attachment to the prospective relative guardian and the relative guardian has a strong commitment to caring permanently for the child.
- With respect to a child who has attained 14 years of age, the child has been consulted regarding the kinship guardianship arrangement.

An agency may provide kinship guardianship assistance payments for a sibling of a child determined eligible, regardless of whether the sibling meets the eligibility requirements, if the agency and the relative agree on the appropriateness of placing the sibling in the home of the relative.

If kinship guardianship assistance payments are provided, an agency is required to enter into a written, binding kinship guardianship assistance agreement with the prospective relative guardian that provides the following:

- The amount of each kinship guardianship assistance payment and the manner in which the payment may be adjusted periodically based on the circumstances of the relative guardian and the needs of the child, in consultation with the guardian. A kinship guardianship assistance payment on behalf of a child cannot exceed the foster care maintenance payment that would have been paid on behalf of the child if the child had remained in a foster home.
- Any additional services and assistance that the child and relative guardian will be eligible for under the agreement and the procedure by which the relative guardian may apply for additional services as needed.
- That the agency will pay nonrecurring expenses associated with obtaining legal guardianship of the child up to \$2,000.
- That the agreement shall remain in effect without regard to the state residency of the relative guardian.

42 USC 671 (a) (20) requires a state to provide procedures for fingerprint-based criminal records checks of relative guardians and child abuse and neglect registry checks of relative guardians and adults living in the guardians' home before kinship guardianship assistance payments may be made.

42 USC 673 (b) (3) (C) provides that a child for whom kinship guardianship assistance payments are being made is categorically eligible for Medicaid in the same manner as a child for whom foster care maintenance payments are made.

Before the Fostering Connections to Success and Increasing Adoptions Act of 2008 was adopted, 11 states operated subsidized guardianship programs as demonstration projects under

federal waivers, including a Wisconsin program administered by the Bureau of Milwaukee Child Welfare. The demonstration projects found that the availability of subsidized guardianship increases the number of children who exit foster care to permanent homes, maintains child safety, and saves money through reductions in out-of-home placement days and subsequent decreases in the administrative costs associated with supervising out-of-home care cases. For a synthesis of the findings of the subsidized guardianship demonstration projects, see http://www.acf.hhs.gov/programs/cb/programs_fund/cwwaiver/2011/subsidized.pdf.

Comparison to Rules in Adjacent States

Illinois and Michigan have subsidized guardianship programs. In Illinois, payment amounts are determined in the same manner as adoption assistance. In Michigan, payments amounts are determined in the same manner as foster care.

Effect on Small Business

The rules will not affect small businesses.

Analysis Used to Determine Effect on Small Business

The rules will affect children in out-of-home care, relatives of children in out-of-home care, tribes, and county departments of social or human services.

9. The guardian is no longer supporting the child or is no longer legally responsible for

supporting the child.

10. The child is placed outside the guardian's home at public expense.

(i) The guardian's responsibility to complete and return to the agency the annual review questionnaire under s. DCF 55.10 (3) in a timely manner to allow the agency to determine whether the child and guardian remain eligible for subsidized guardianship payments.

(j) A description of the terms upon which the subsidized guardianship agreement may terminate under s. DCF 55.10 (5) (d).

(k) That an agency may recover any overpayment of subsidized guardianship payments from a current or former guardian by any legal means as determined by the agency. An overpayment to a guardian who continues to receive subsidized guardianship payments may be recovered by reducing the amount of the person's monthly payment.

(l) That the guardian may be eligible for adoption assistance under s. 48.975, Stats., and 42 USC 673 for care of the child if the guardian later decides to adopt the child. In determining eligibility for adoption assistance, the placement of the child in the home of the guardian and any subsidized guardianship payments will be considered to have never been made.

Note: Form DCF-F-CFS2365, *Subsidized Guardianship Agreement*, is available in eWiSACWIS, the child welfare automation system, or by writing to the Division of Safety and Permanence, P.O. Box 8916, Madison WI 53708-8916.

DCF 55.07 Amount of monthly payment. (1) AMOUNT IN AGREEMENT. The amount of a subsidized guardianship payment shall be the amount in the initial subsidized guardianship agreement under s. DCF 55.06 or as adjusted by an amendment to the subsidized guardianship agreement signed by both the guardian and the agency under s. DCF 55.08.

(2) INITIAL AMOUNT. (a) 1. The monthly subsidized guardianship payment amount in an initial subsidized guardianship agreement entered into on or after July 1, 2011, shall equal the

amount of the monthly foster care payment received by the prospective guardian for the care of the child under s. DCF 56.23 in the month immediately preceding the month in which the guardianship is ordered.

2. Notwithstanding subd. 1., the monthly subsidized guardianship payment amount may be less than the amount under subd. 1. if agreed to by the prospective guardian and specified in the subsidized guardianship agreement under s. DCF 55.06.

(b) The supplemental payment amount based on the child's identified needs and included in the initial subsidized guardianship agreement shall be determined under s. DCF 56.23 (2) (a) if the child has needs that have been identified as moderate or intensive in the areas listed in s. DCF 56.23 (2) (a) 1. a. to e.

Note: Under s. 48.62 (4), Stats., and s. DCF 56.23 (1) (c), no supplemental payment may be paid to a foster parent who operates a Level 1 foster home.

(3) ADJUSTMENT OF MONTHLY PAYMENT. (a) The amount of a monthly payment to a guardian may be adjusted periodically based on the circumstances of the guardian and the needs of the child under s. DCF 55.08, in consultation with the guardian.

(b) Notwithstanding par. (a), the amount of a monthly subsidized guardianship payment to a guardian may not be adjusted under s. DCF 55.08 if the prospective guardian's foster home was certified at Level 1 under s. DCF 56.13 (3) on the date that the prospective guardian signed the subsidized guardianship agreement under s. DCF 55.06.

Note: The adjustment of a monthly payment is an adjustment to the supplemental payment, which a guardian is not eligible to receive if his or her fosterhome was certified at Level 1.

DCF 55.08 Amendment to adjust payment amount. (1) SUBSTANTIAL CHANGE IN CIRCUMSTANCES. In this section, "substantial change in circumstances" means that a documented change has occurred regarding the child in one or more areas of identified needs,

including physical, behavioral, or emotional needs, that would result in a change in a supplemental payment determined under one of the following:

(a) For a subsidized guardianship agreement entered into before July 1, 2011, under s. 48.62 (5), 2009 Stats., the amount determined under s. DCF 55.09.

Section 48.57 (3), Stats., authorizes counties to provide funding for the maintenance of a child who is 18 years of age or older.

(5) DETERMINATION. Following a review of eligibility of a guardian and child for monthly subsidized guardianship payments under this section, an agency shall do one of the following:

(a) Continue the payments.

(b) Make the last payment the month that the child turns 18 years old, except as provided in sub. (4).

(c) Suspend payments for any of the following reasons:

1. The agency did not receive the completed annual review questionnaire from the guardian under sub. (3) on or before the annual review date under sub. (2) (a). If the agency receives the completed annual review questionnaire from the guardian after the review date and none of the changes affecting eligibility under sub. (1) have occurred, the agency shall reinstate payments effective the date that the agency receives the completed questionnaire.

2. The child is temporarily placed outside the guardian's home at public expense.

3. The child is temporarily not being supported by the guardian.

(d) Terminate payments and other provisions in the subsidized guardianship agreement based on any of the following:

1. A change of circumstances under sub. (1) (a) to (g) has occurred.
2. The guardian requests in writing that the subsidized guardianship agreement be terminated.

DCF 55.11 Appeals. (1) (a) A person may petition the division of hearings and appeals under sub. (2) for a review of any of the following agency actions or failures to act:

1. The agency did not act promptly on a person's request for a determination of eligibility for subsidized guardianship payments under s. DCF 55.05 (3).

2. The agency denied a person's request for a determination of eligibility for subsidized guardianship payments under s. DCF 55.05 (3) on the grounds that a condition specified in s. DCF 55.03 has not been met.

3. Regarding an amendment under s. DCF 55.08, the agency did any of the following:

- a. Denied a guardian's request for an amendment under s. DCF 55.08 (4) (f) or (5) (f) 1. c. and (g).

- b. Approved a guardian's request for an amendment at an amount that is less than the amount that the guardian considers appropriate under s. DCF 55.08 (4) (f) or (5) (f) 1. b.

(b) Review of an agency action or failure to act is unavailable if the action or failure to act arose more than 45 days before the guardian submits the petition for review to the division of hearings and appeals.

(2) (a) Upon receipt of a timely petition as described in sub. (1) (b), the division of hearings and appeals shall give the applicant or recipient reasonable notice and an opportunity for a fair hearing.

(b) The division of hearings and appeals may make such additional investigation as it considers necessary.

(c) The division of hearings and appeals shall provide the applicant or recipient and the agency whose action or failure to act is the subject of the petition with a notice of hearing. That agency may be represented at the hearing.

(d) The division of hearings and appeals shall render its decision as soon as possible after the hearing and shall send a certified copy of its decision to the applicant or recipient and to the agency whose action or failure to act is the subject of the petition.

(e) The decision of the division of hearings and appeals shall have the same effect as an order of the agency whose action or failure to act is the subject of the petition. The decision shall be final, but may be revoked or modified as altered conditions may require, as provided under s. HA 3.10 (1).

(f) The division of hearings and appeals shall deny a petition for review or shall refuse to grant relief if any of the following applies:

1. The petitioner withdraws the petition in writing.
2. The sole issue in the petition concerns an automatic payment adjustment or change that affects an entire class of recipients and is the result of a change in state law.
3. The petitioner abandons the petition. Abandonment occurs if the petitioner fails to appear in person or by a representative at a scheduled hearing without good cause, as determined by the division of hearings and appeals.

(3) (a) 1. If a recipient requests a hearing within 10 days after the date of the notice that his or her subsidized guardianship payments are being decreased or discontinued, those payments may not be decreased or discontinued until a decision is rendered after the hearing.

2. Payments made pending the hearing decision under subd. 1. may be recovered by the agency if the contested action or failure to act is upheld or the recipient withdraws or abandons the petition.

(b) The division of hearings and appeals shall promptly notify the agency whose action is the subject of the hearing that the recipient has requested a hearing.

(c) Payments shall be decreased or discontinued if the recipient is contesting a state law or a change in state law and not the determination of the payment made on the recipient's behalf.

DCF 55.12 Interim caretaker. (1) ELIGIBILITY. Upon the death or incapacity of a guardian or upon the termination of a guardianship under s. 48.977 (7), Stats., or under a substantially similar Wisconsin tribal law and an agreement specified in s. DCF 55.01 (2), the agency that has been providing subsidized guardianship payments to the guardian shall provide the subsidized guardianship payments to the interim caretaker if all of the following conditions are met:

(a) Pursuant to s. 48.685, Stats., and s. DCF 55.13, the agency conducts a background investigation of the interim caretaker and any nonclient resident in the interim caretaker's home and determines that those individuals meet the requirements in s. 48.685, Stats., and s. DCF 55.13.

(b) The agency inspects the home of the interim caretaker, interviews the interim caretaker, and determines that placement of the child with the interim caretaker is in the best interests of the child. In the case of an Indian child, the best interests of the Indian child shall be determined in accordance with s. 48.01 (2), Stats.

(c) The interim caretaker cooperates with the agency in finding a permanent placement for the child by either seeking to become the child's guardian or adoptive parent or assisting in

finding other permanent resources for the child.

(d) If the agency knows or has reason to know that the child is an Indian child, the agency provides notice of the Indian child's placement in the home of the interim caretaker to the Indian child's parent, Indian custodian, and tribe and determines that the home of the interim caretaker complies with the order of placement preference under s. 48.028 (7) (b), Stats., or, if applicable, s. 48.028 (7) (c), Stats., unless agency finds good cause, as described in s. 48.028 (7) (e), Stats., for departing from that order.

(2) TIME-LIMITED. The agency shall provide the subsidized guardianship payments to an interim caretaker who is eligible under sub. (1) until he or she is licensed as a foster parent under ch. DCF 56, except the agency may not provide subsidized guardianship payments to an interim caretaker for more than 12 months.

(3) PAYMENT AMOUNT. The amount of the subsidized guardianship payments to the interim caretaker shall be the most recent amount that the agency had agreed to pay the guardian under s. DCF 55.07 (2) or 55.08.

(4) OVERPAYMENTS. An agency may recover any overpayment made to a current or former interim caretaker by any legal means as determined by the agency. An overpayment to an interim caretaker who continues to receive subsidized guardianship payments may be recovered by reducing the amount of the person's monthly payment.

DCF 55.13 Background check of interim caretaker and nonclient residents.

(1) PROVIDE INFORMATION. (a) Before an agency provides subsidized guardianship payments to an interim caretaker seeking payments under s. DCF 55.12, the interim caretaker and any nonclient resident in the interim caretaker's home shall do all of the following:

1. Complete and submit to the agency the department's background information disclosure form and written authorization for the agency to make follow-up contact with the Wisconsin department of justice and any other person or organization to determine if there is any reason under sub. (4) why the interim caretaker is not eligible to receive subsidized guardianship payments under s. DCF 55.12.

Note: Form F-82064, *Background Information Disclosure*, is available in the forms section of the department website, <http://www.dcf.gov>, or by writing to the Division of Safety and Permanence, P.O. Box 8916, Madison WI 53708-8916.

2. Provide the agency with information on their places of residence during the 5-year period before the interim caretaker is seeking subsidized guardianship payments under s. DCF 55.12.

(b) Before an agency provides subsidized guardianship payments to an interim caretaker seeking payments under s. DCF 55.12, the interim caretaker shall provide the agency or its designated agent with a set of fingerprints sufficiently clear to submit to the Wisconsin department of justice or other law enforcement agency for submission to the national crime information database as provided in s. 48.685 (2) (c) 1., Stats.

(2) CONDUCT BACKGROUND CHECK. After the agency receives the information under sub. (1) and before the agency provides subsidized guardianship payments to an interim caretaker, the agency shall do all of the following:

(a) The agency shall obtain the information required under s. 48.685 (2) (am), Stats., regarding the interim caretaker and any nonclient resident in the interim caretaker's home.

Note: Information on how to conduct an initial search of some of the required Wisconsin records is at <http://wi-recordcheck.org/>. Following the search, the agency will receive a report from the Department of Justice regarding results of the criminal records search and a report from the Department of Health Services regarding results of the search of other integrated databases. Further investigation may be required.

(b) The agency shall submit the fingerprints of the interim caretaker under sub. (1) (b) to the Wisconsin department of justice or other law enforcement agency for submission to the national crime information database as provided in s. 48.685 (2) (c) 1., Stats.

(c) The agency shall conduct a reverse search of the Wisconsin sex offender registry using the interim caretaker's address.

Note: A reverse search by address can be done by entering the interim caretaker's address at <http://wisconsin.doc.familywatchdog.us/>. The Registry and Family Watchdog information does not contain information on all convicted sex offenders.

The information is limited by the effective date of the applicable law and to those offenders who have been arrested and convicted, adjudicated, or committed for a crime specified under the law and who meet registration and publication requirements.

For example, certain sex offenses by juveniles or other persons may not meet registration or publication requirements. Please consider these limitations when obtaining information from the Registry or Family Watchdog.

(d) If the agency is informed that a nonclient resident in the interim caretaker's home resided outside the state of Wisconsin at any time during the 3-year period before the search, the agency shall obtain a criminal history records search from any state in which the person is or was a resident.

(e) The agency shall obtain information on any child abuse and neglect findings during the 5-year period before the search, as follows:

1. If the agency is informed that the interim caretaker or an adult who is residing, or expects to reside, in the interim caretaker's home resided in the state of Wisconsin at any time during the 5-year period before the search, the agency shall contact each county in Wisconsin in which the person is a resident or was a resident during those 5 years for information on any child abuse and neglect substantiation or similar finding.

2. If the agency is informed that the interim caretaker or an adult who is residing, or expects to reside, in the interim caretaker's home resided outside the state of Wisconsin at any time during the 5-year period before the search, the agency shall check any child abuse or neglect registry maintained by any state or other U.S. jurisdiction in which the person is a resident or was a resident during those 5 years for information on any child abuse or neglect substantiation or similar finding.

(f) If the agency is informed that the interim caretaker or a nonclient resident in the interim caretaker's home served in a branch of the U.S. armed forces, including any reserve component, the agency shall make every reasonable effort to obtain information on the discharge status of the person. This information may be obtained from the discharge papers or from the armed forces branch in which the person served. If the discharge status is other than honorable, the agency shall obtain information on the nature and circumstances of the discharge.

(3) FOLLOW-UP. Follow-up investigation may be required and may include the following:

(a) If the results of the criminal history records search under sub. (2) (a), (b), or (d) indicate a charge of a crime specified in s. 48.685 (1) (c) or (5) (bm) Stats., or comparable law in another state, but do not completely and clearly indicate the final disposition of the charge, the agency shall make every reasonable effort to contact the clerk of courts to determine the final disposition of the charge.

(b) If the background information disclosure indicates a charge or conviction of a crime specified in s. 48.685 (1) (c) or (5) (bm), Stats., or comparable law in another state, but the results of the criminal history records search under sub. (2) (a), (b), or (d) do not include the charge or conviction, the agency shall make every reasonable effort to contact the clerk of courts to obtain a copy of the criminal complaint and the final disposition of the complaint.

(c) If the results of the criminal history records search under sub. (2) (a), (b), or (d); the background information disclosure; or any other information indicate that the person was convicted of a violation of s. 940.19 (1), 940.195, 940.20, 941.30, 942.08, 947.01 (1), or 947.013, Stats., or comparable law in another state, not more than 5 years before the agency obtained the information, the agency shall make every reasonable effort to contact the clerk of courts to obtain a copy of the criminal complaint and judgment of conviction relating to that violation.

Note: A list of Wisconsin county clerks of court is available at <http://www.wicourts.gov/contact/docs/clerks.pdf>.

An investigation and determination regarding whether the circumstances of the convictions for the crimes specified in par. (c) are substantially related to the care of children under sub. (4) (b) and s. 48.685 (5m), Stats., is required. The specified crimes are misdemeanor battery, battery to an unborn child, battery-special circumstances, reckless endangerment, invasion of privacy, disorderly conduct, and harassment.

(4) OFFENSES THAT ARE A BAR. Unless the person has demonstrated that he or she has been rehabilitated under s. 48.685 (5) or (5c), Stats., and ch. DHS 12, an agency may not provide subsidized guardianship payments to an interim caretaker if any of the following apply regarding the interim caretaker or a nonclient resident in the interim caretaker's home:

(a) The person has been convicted of a crime specified in s. 48.685 (1) (c) or (5) (bm), Stats.

Note: A table that lists applicable crimes is available on the department website, <http://dcf.wisconsin.gov>, in the child welfare licensing/background checks section. The applicable crimes for subsidized guardianship payments are the same as the applicable crimes for foster care.

(b) The person has been convicted of an offense that is not a crime specified in s. 48.685 (1) (c) or (5) (bm), Stats., but that is substantially related to the care of children.

Note: For guidance in determining whether an offense is substantially related, see s. DHS 12.06. If a conviction is for an offense that is not a crime specified in s. 48.685 (1) (c) or (5) (bm), Stats., but that is substantially related to the care of children, rehabilitation approval under s. 48.685 (5) (a), Stats., and ch. DHS 12 is not available.

(c) A governmental body has made a finding that the person has abused or neglected any client or misappropriated the property of any client.

(d) There has been substantiated finding under s. 48.981 (3) (c) 4., Stats., that the person has abused or neglected a child.

(e) The person has been convicted of a violation of the law of any other state or United States jurisdiction that would be a violation of par. (a) to (d) if committed in this state.

(5) DENIALS. The agency shall provide the department with information about each person who is denied monthly subsidized guardianship payments or permission to reside in the home of an interim caretaker for a reason specified in sub. (4).

Note: The agency provides the required information to the department on form DCF-F-CFS2191, *Negative Action Notice*. The department forwards the information to the Department of Health Services as required under s. 48.623 (6) (b), Stats. The form is available in the forms section of the department's website, <http://www.dcf.gov>, or by writing to the Division of Safety and Permanence, P.O. Box 8916, Madison WI 53708-8916.

SECTION 2. EFFECTIVE DATE. This rule shall take effect the first day of the month following publication in the Administrative Register as provided in s. 227.22 (2) (intro.), Stats.
