ANALYSIS

Statutes interpreted:

ss. 480.04 (1) and (2), 480.08 (6), Stats

Statutory authority:

ss. 15.405 (3), 480.08 (6), Stats

Explanation of agency authority:

Pursuant to s. 15.405 (3), Stats., the Department of Safety and Professional Services has oversight of the Auctioneer Board as an attached board of the Department. In accordance with s. 480.04 (2), Stats., the Auctioneer Board does not have rule-making authority. However, under s. 480.04 (1), Stats., the Auctioneer Board may advise the Department on matters relating to auctioneers. Per section 480.08 (6), Stats., states that the department may promulgate rules, on behalf of the Auctioneer Board, governing the requirements and procedures for auctioneers obtaining continuing education. The topic of these proposed rules is the requirements concerning instructors administering continuing education courses. Therefore, the Department is authorized both generally and specifically to promulgate these proposed rules.

Related statute or rule:

s. SPS 128.04

Plain language analysis:

Currently, per Wis. Admin. Code s. SPS 128.04 (6), course instructors offering continuing education for auctioneers in Wisconsin must be either an auctioneer registered in this state, actively practicing auctioneering for the past five years; or an attorney that practices in the area of auctioneering, or an appraiser approved by the Appraiser Qualifications Board (AQB). The Auctioneer Board reviewed s. SPS §128.04 (6) and determined that the rule limited the number of eligible course instructors by excluding instructors from other disciplines that may be knowledgeable about auctioneering. By promulgating these proposed rules, the Department and the Auctioneer Board seek to enlarge the pool of eligible instructors to those who are experts in their field, have the required years of experience, and have a course approved by the Department.

Summary of, and comparison with, existing or proposed federal regulation:

None.

Comparison with rules in adjacent states:

Illinois: In Illinois auctioneers are regulated by the Department of Financial and Professional Regulation, Division of Professional Regulation. Continuing education courses must be approved by the Division. Illinois further requires that continuing education must be, “developed and presented by persons with education and/or experience in subject matter of the CE course”. 68 Ill. Adm. Code 1440.310 (b) (8) (c).

Iowa: Iowa does not regulate continuing education requirements for auctioneers.

Michigan: Michigan does not regulate continuing education requirements for auctioneers.

Minnesota: Minnesota does not regulate the continuing education requirements for auctioneers.

Summary of factual data and analytical methodologies:

The Auctioneer Board reviewed Wis. Admin. Code s. SPS 128.04 and determined a revision to the rule was necessary because the rule limited the type of course instructors that may conduct continuing education in Wisconsin. The pool of eligible instructors is currently restricted to auctioneers registered in Wisconsin, attorneys who are engaged in the field of auctioneering law, and appraisers approved by the AQB. The Board sought to enlarge the pool of course instructors by drafting this proposed rule. No other factual data or analytical methodologies were used.
