**IV. DETAILED STATEMENT EXPLAINING THE BASIS AND PURPOSE OF THE PROPOSED RULE, INCLUDING HOW THE PROPOSED RULE ADVANCES RELEVANT STATUTORY GOALS OR PURPOSES:**

Section 448.665, Stats., requires the Podiatry Affiliated Credentialing Board to promulgate rules concerning the procedures for licensees to complete continuing education courses. Licensees must complete 50 hours of continuing education within the biennial period immediately preceding the renewal date. The purpose of the proposed rule is to address the Board's concern that licensees were not being audited for compliance with the continuing education requirement. The proposed rule alleviates that concern by adding language to Wis. Admin. Code s. Pod 3.04 that will allow random audits of licensees in order to determine whether they have complied with the continuing education requirement. Licensees are also required to maintain proof of completion of a continuing education course for a minimum of 4 years.
