9. Policy Problem Addressed by the Rule		

The Physical Therapy Examining Board (Board) reviewed its rules and determined that certain provisions needed clarifying. First, s. PT 1.04 was amended by removing language regarding the application deadline date. By requiring the completed application include all required documents including verified documentary evidence of graduation from a school of physical therapy by the application deadline date the Board is in fact requiring applicants to complete their postsecondary education as a condition of taking the exam. The deadline date was removed in keeping with 2013 Wisconsin Act 114 which required boards to refrain from requiring the completion of postsecondary education before an applicant is eligible to take a credentialing examination.

Secondly, the Board decided to repeal the temporary reentry license found in s. PT 3.02 and the term candidate for reentry in s. PT 1.02 (2). These provisions were originally designed to allow persons who had not practiced as a physical therapist for a period of 3 years or more an opportunity to gain clinical experience while waiting for full licensure. However, s. PT 2.01 (h) already addresses applicants returning to the practice of physical therapy after a 3 year absence by requiring an oral examination.

Lastly, the Board revised requirements for reinstatement of a license found in s. PT 8.05 by adding conditions applicants need to follow if their license has been surrendered, revoked, or has unmet disciplinary requirements.

16. Compare With Approaches Being Used by Neighboring States (Illinois, Iowa, Michigan and Minnesota)

Illinois allows restoration of license which has been expired or on inactive status for more than 5 years. Ill Admin. Code tit. 68 §1340.60 a). Licensees must do one of the following to restore their license: (1) submit certification of current licensure from another state or territory, (2) submit an affidavit attesting to military service, (3) pass the National Physical Therapy Examination, or (4) submit evidence of recent attendance at an educational program in physical therapy.

Iowa allows reactivation of a license that has been on inactive status for more than five years. Licensees must provide verification of a license from every jurisdiction in which the licensee was licensed or has practiced during the time period that the licensee's Iowa license was inactive. The licensee must also provide verification of completion of 80 hours of continuing education within 2 years of the application for reactivation. 645 Iowa Admin. Code 200.15.

Michigan allows relicensure of a license that has lapsed for 3 years or more. Mich. Admin. Code R.338.7137 (2).

Minnesota does not renew, reissue, reinstate, or restore a license that has lapsed or has not been renewed within two annual license renewal cycles. A licensee whose license has been cancelled for nonrenewal must obtain a new license and fulfill all the current requirements for licensure at that time. Minn. Statutes 148.737.
