## **RESPONSE TO LEGISLATIVE COUNCIL RULES CLEARINGHOUSE REPORT**

---

### **Legislative Council Comment/Suggestion**

### **Department Response**

---

COMMENT 1. In the rule caption's listing of affected provisions, the enumeration should be phrased as follows: "to amend DOC 373.04(7), 393.04(1), and 396.09(1)(a)."

Accepted. The rule's caption is changed accordingly.

---

COMMENT 2. It appears that the rule is promulgated in response to Executive Order #15, signed by Governor Evers on March 12, 2019. The Department should consider citing this executive order in either the explanation of agency authority or the plain language analysis of the rule summary.

Accepted. Revised Section 3, "explanation of agency authority," accordingly.

---

## **FINAL REGULATORY FLEXIBILITY ANALYSIS**

---

The Department of Corrections has determined that the rule will not have a significant economic impact on a substantial number of small businesses since the rule does not regulate small businesses as that term is defined in s. 227.1145, Stats.
