Dear Assembly Chief Clerk's Office:

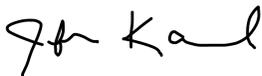

On March 29, 2021, the Department of Public Instruction (DPI) submitted CR 21-008, relating to expanding virtual summer and interim session courses, to the chief clerks of the legislature. Since then, the DPI has identified a germane modification to CR 21-008 as a result of conversations with the Legislature. The germane modification is a revision to the newly created s. PI 17.03 (2) (e) to limit the applicability of the proposed rule change to pupils in grades 9 through 12.

Accordingly, this letter serves as both notice of the DPI recalling CR 21-008 from the chief clerk of each house of the legislature and as a resubmission of CR 21-008 with the germane modification, pursuant to s. 227.19 (4) (b) 4., Stats., as laid out below.

PI 17.03 (2) (e) Online classes offered by a school district to pupils in grades 9 through 12 residing in the school district or attending the school district under s. 118.51, Stats., if taught by a teacher licensed by the department or authorized to teach under s. 118.19 (1b) or (1c), Stats.
