Report From Agency

Notice of Submittal of Rule to Legislature in Final Draft Form

The Department of Workforce Development announces that on March 4, 2022, the Department submitted Clearinghouse Rule 22-010 to the chief clerk of each house of the legislature pursuant to s. 227.19 (2), Stats.

The rule proposes to revise chs. DWD 100 to 150 relating to converting references from Standard Industrial Classification codes to the North American Industry Classification System codes and making other minor technical changes to the unemployment insurance program.

The Governor approved the rule on March 3, 2022.
