Responses to Clearinghouse Report:

2. Form, Style and Placement in Administrative Code:

The changes were accepted.

4. Adequacy of References to Related Statutes, Rules and Forms:

a. The reference to speech-language pathology under s. PI 34.0475 is reflective of proposed changes to the rule under CR 22-005, which is pending at the time of the filing of this rule. CR 22-005 renumbers speech-language pathology under s. PI 34.047 (3m) and (4) to s. PI 34.0475. The changes per the comment in this report were accepted for the final rule but will need to be changed in the event CR 22-005 is promulgated, as promulgation of CR 22-005 would render the cross-reference to speech-language pathology under s. PI 34.047 (4) as obsolete.

b. The changes were accepted. Upon further review, the department has also removed the underlined text at the end of the provision and will therefore leave s. PI 34.029 (2) (b) as is.

5. Clarity, Grammar, Punctuation and Plainness:

The changes were accepted.

Changes deemed necessary by the department to improve implementation of the rule:

Upon further review, the department has removed adaptive physical education under s. PI 34.075 and alternative education programs under s. PI 34.077 from the list of subjects that may not be authorized by a tier I, 3-year school district-sponsored license with stipulations under s. PI 34.029.
