Analysis prepared by the Department of Regulation and Licensing.

ANALYSIS

Statutes authorizing promulgation: ss. 227.11 (2) and 480.08 (6), Wis. Stats.

Statutes interpreted: s. 480.08 (6), Wis. Stats.

In this rule-making order the Department of Regulation and Licensing, with the advice and counsel of the Auctioneer Board, amends ch. RL 128 for the purpose of reestablishing continuing education requirements for registered auctioneers. The current provisions in ch. RL 128, state the requirements for the approval of courses and instructors, the certification of completion of courses, and an optional test-out examination. However, these provisions have had no validity since December 31, 2000, because a sunset provision in s. RL 128.07 stated that this chapter only applied to registered auctioneers when renewing a registration as an auctioneer for the January 1, 1999-December 31, 2001 biennium.

In proposing to reestablish continuing education for auctioneers, the department proposes to amend several of the provisions that are in the current rule and to create a few new provisions. The following substantive changes are proposed:

Section RL 128.02 (1) increases the number of continuing education hours from 9 to 12 hours each biennium. This section continues the requirement for an indefinite period of time. This section also exempts registrants from the continuing education requirement at the time of their first renewal of registration if they had obtained an initial registration certificate within 6 months before the renewal deadline.

Section RL 128.03 (1) describes the contents of the courses that are part of the 12 hours of education. Section RL 128.03 (2) requires a course provider to give a written examination subsequent to the completion of instruction of each course. A registered auctioneer would be

required to pass the examination in order to receive credit for the course. The rule also defines the nature of the examination and the requirements for passing the examination.

Section RL 128.04 (1m) describes the conditions for approval of distance education courses. "Distance education" is defined in s. RL 128.015.
