ORDER ADOPTING FINAL RULES

The Public Service Commission of Wisconsin adopts final rules to repeal ch. PSC 98, Wis. Admin. Code, relating to rules adopted to meet all requirements in section 300.304 of the regulations of the Federal Price Commission in regard to increases in rates or charges of utilities, railroads, motor carriers, and carriers by water within the Public Service Commission’s jurisdiction.

PLAIN LANGUAGE ANALYSIS

Statutory authority: ss. 196.02(3) and 227.11(2), Stats.

History of Chapter PSC 98

PSC Chapter 98 was created in Docket No. PC-1 on October 10, 1972. The rules were adopted to meet all requirements in section 300.304 of the regulations of the Federal Price Commission in regard to increases in rates or charges of utilities, railroads, motor carriers, and carriers by water within the Public Service Commission’s jurisdiction. It was created in response to the creation of the Price Commission under the Economic Stabilization Act of 1970. The Price Commission was established by Executive Order No. 11627, 1971, by the Nixon

Administration to stabilize prices. This was a time of freezes on the prices of all commodities and services offered for sale except the prices charged for raw agricultural products.

Present Status

The authority contained in the Economic Stabilization Act of 1970, as amended, to impose a system of mandatory wage and price controls expired on April 30, 1974, Executive Order No. 11781. Executive Order No. 11788 dated June 18, 1974, provided for the orderly termination of economic stabilization activities and in Section 10 revoked Executive Order No. 11627 of October 15, 1971. It also abolished the Cost of Living Council in Section 1.

Based upon this information there is no need for the continued existence of Chapter PSC 98. Therefore, the chapter has been repealed.
