In order to implement the transfer of authority from the Great Lakes commercial fishing boards to the department accomplished by 1997 Wisconsin Act 189, the order amends existing commercial fishing procedural rules to substitute or insert references to the department in place of or in addition to references to the Lake Superior or Lake Michigan commercial fishing board. SECTION 1. NR 25.05(3), 25.07(1)(intro.) and (2)(intro.), (b)1.c, (bg)2. and (br)2. and 25.08(5) are amended to read:

No person, while on the water, may possess species of fish outside of the open season for that species. The harvest limit for species of fish for which an open season is provided and a quota has been established shall be the individual quota established by commercial fishing boards or the department for the person harvesting such fish. No person may take, catch or kill more fish than authorized by his or her harvest limit. No person may fish for a species of fish in a zone for which the person has no harvest limit.
