

Publication Date: August 22, 2009

Effective Dates: September 1, 2009 thru January 28, 2010

ORDER OF THE STATE OF WISCONSIN NATURAL RESOURCES BOARD

Analysis Prepared by the Department of Natural Resources:

Statutes Interpreted and Explanation of Agency Authority: In promulgating this rule, ss. 29.014, 29.041, 29.197, 29.592, 29.885, 227.24, Stats. have been interpreted as allowing the department the authority to establish the migratory game bird seasons within the state as well as on and in all waters bordering the state and establish the two-day youth waterfowl hunt.

Statutory Authority and Explanation of Agency Authority: Statutes that authorize the promulgation of this rule order include ss. 29.014, 29.592, and 227.11 and 227.24, Stats. These sections grant rule making authority to the department to establish and maintain open and closed seasons for hunting and provide that all rules promulgated under this authority are subject to review under ch. 227, Stats. In addition, s. 29.041, Stats., authorizes the department to promulgate rules that regulate hunting on and in all interstate boundary waters, and s. 29.197, Stats., authorizes the establishment of special hunts.

Related Statute or Rule: This rule order establishes the season length and bag limits, for the Wisconsin migratory game bird seasons. Each year similar or identical emergency and permanent rule packages are promulgated. This process is necessary to have the seasons in place for the fall hunting season while following the federal and state rule procedures.

Plain Language Analysis: Section 1 of this rule order clarifies that the definition of the term “accompanied by”, which currently applies to 12 and 13 year old hunters at all times, also applies to all youth hunt participants who are not hunting under the more restrictive hunting mentorship program requirements.

Section 2 of this rule order establish the season length and bag limits for the 2009 Wisconsin migratory game bird seasons. For ducks, the state is divided into two zones each with 60-day seasons. The season begins at 9:00 a.m. September 26 and continues for 60 consecutive days in the north, closing on November 24. In the South the season begins at 9:00 a.m. on October 3 and continues through October 11, followed by a 5-day split, and then reopens on October 17 and continues through December 6. The daily bag limit is 6 ducks including no more than: 4 mallards, of which only 1 may be a hen, 1 black duck, 1 pintail, 1 canvasback, 3 wood ducks, 2 scaup and 2 redheads.

For Canada geese, the state is apportioned into 3 goose hunting zones: Horicon, Collins and Exterior. Other special goose management subzones within the Exterior Zone include Brown County, Burnett County, Rock Prairie and the Mississippi River. Season lengths are: Collins Zone - 66 days (three hunting periods, September 16 – October 4, October 5 – 25, October 26 – November 20); Horicon Zone - 92 days (2 hunting periods, first period beginning September 16 and the second on November 2); Exterior Zone in the northern duck zone - 85 days (Sept. 19 – Dec. 12); Exterior Zone in the southern duck zone – 85 days (Sept. 19 – Oct. 11 and Oct. 17 – Dec. 17) and Mississippi River subzone - 85 days (Oct. 3 – Oct. 11 and Oct. 17 – Dec. 31). The Burnett County subzone is closed to Canada goose hunting. The statewide daily bag limit for Canada geese in all zones is 2 birds per day during the open seasons within the zones.

Section 3 establishes the youth waterfowl hunting season dates and revises the season’s regulations to be consistent with the provisions of 2009 Senate Bill 167. The bill and this rule allow participation by people who are age 10 or 11. Hunters who are age 10 or 11 or who have not completed a hunter safety course of instruction must hunt with a mentor who is at least 18 years of age and be within arms reach of the mentor at all times. A mentor may supervise only one hunter who is age 10 or 11 or who has not completed a hunter safety course of instruction and the hunter and mentor together may possess only one firearm or bow.

Section 4 revises youth turkey hunting season regulations to be consistent with the provisions of 2009 Senate Bill 167. The provision allows participation in the youth turkey hunting season by youth who have not completed a hunter safety course. This section also clarifies that a qualified mentor may only supervise one person who is either 10 or 11, or who has not completed a hunter safety course and requires that the mentor be within arms reach of the hunter they are supervising.

Section 5 revises youth deer hunting season regulations to be consistent with the provisions of 2009 Senate Bill 167. The provision allows participation in the youth deer hunting season by youth who have not completed a hunter safety course. This section also clarifies that a qualified mentor may only supervise one person who is either 10 or 11, or who has not completed a hunter safety course and requires that the mentor be within arms reach of the hunter they are supervising.

Section 6 establishes that a Class A bear permit may be issued to a person who reaches the age of 10 during the bear hunting season to be consistent with the provisions of 2009 Senate Bill 167.

Section 7 updates road names in the migratory game bird hunting zone map following the completion of new highway construction. The location of the boundary is not changed.

Summary of, and Comparison with, Existing or Proposed Federal Regulations: Under international treaty and Federal law, migratory game bird seasons are closed unless opened annually via the U.S. Fish and Wildlife Service (FWS) regulations process. As part of the Federal rule process, the FWS proposes a duck harvest-management objective that balances hunting opportunities with the desire to achieve waterfowl population goals identified in the North American Waterfowl Management Plan (NAWMP). Under this harvest-management objective, the relative importance of hunting opportunity increases as duck populations approach the goals in the NAWMP. Thus, hunting opportunity would be maximized when the population is at or above goals. Additionally, while FWS believes that the NAWMP's population goals would tend to exert a conservative influence on overall duck harvest-management. Other factors, such as habitat, are to be considered.

In the past, the regular Canada goose season was based on the allowable Mississippi Valley Population (MVP) harvest which was determined based on the spring breeding population estimate obtained from an aerial survey of the MVP breeding range as prescribed by the Mississippi Flyway MVP management plan. However, because locally produced giant Canada geese now constitute a considerable portion of the harvest in all states that also harvest Mississippi Valley Population birds, the Mississippi Flyway Council is testing the use of a standard season framework for 5 years. Beginning in the fall of 2007 and continuing through 2011, season lengths and bag limits for each MVP harvest state will remain unchanged. Each state retains the flexibility to schedule the timing of their Canada goose season. In addition, if the MVP spring population numbers dropped to a predetermined low level during the 5-year period, the stable season framework would be adjusted.

All proposed modifications included in this rule order are consistent with these parameters and guidelines which are annually established by the Fish and Wildlife Service in 50 CFR 20.

Comparison with Rules in Adjacent States: Since migratory bird species are managed under international treaty, each region of the country is organized in a specific geographic flyway which represents an individual migratory population of migratory game birds. Wisconsin along with Minnesota, Michigan, Illinois and Iowa are members of the Mississippi Flyway. Each year the states included in the flyways meet to discuss regulations and guidelines offered to the flyways by the FWS. The FWS regulations and guidelines apply to all states within the Flyway and therefore the regulations in the adjoining states closely resemble the rules established in this rule order, and only differ slightly based on hunter desires, habitat and population management goals. However, these variations fall within guidelines and sideboards established by the FWS.

Summary of Factual Data and Analytical Methodologies: For the regular duck season, a data based process called Adaptive Harvest Management is used annually by the USFWS and the Flyways to determine which of 3 framework alternatives best matches the current year's data on populations and habitat (data from the spring pond and duck survey). The option of a closed season is also possible if survey conditions indicated that this is necessary for the management of duck populations. The determination of which alternative is selected is based in part on the spring wetland conditions on the breeding grounds and the Mid-Continent Mallard population. These data come from the May Pond and Breeding Waterfowl Population Surveys conducted by the USFWS and Canadian Wildlife Service on traditional survey areas as well as surveys from select states, including Wisconsin.

Wisconsin's regular Canada goose season harvest consists of close to a 50:50 ratio between resident giant and MVP population Canada geese. As a result, the parameters of Wisconsin's regular goose seasons are guided by the Mississippi Flyway management plans for the MVP and giant Canada goose populations and approved by the Mississippi Flyway

Council and the USFWS. The health of these populations was measured with spring breeding population surveys, survival data and harvest rates obtained from banding and production studies. The surveys and studies are conducted annually and are supported by the State of Wisconsin as part of the MFC. The result of this work is reviewed annually by the MFC committee and the USFWS to measure the impact of the stable season framework trial period.

The primary elements of Wisconsin’s waterfowl regulatory process include conducting spring waterfowl surveys, participation in MFC meetings, commenting on federal proposals, and soliciting input from the public. The state process begins with Flyway meetings in February and March each year where staff provide input to the development of federal framework alternatives and requests related to the early seasons. In May and June, breeding waterfowl surveys and banding are conducted in support of the regulatory process.

In early July, staff conducted a public meeting to solicit input from interest groups, including representatives of the Conservation Congress Migratory Committee. At this meeting staff provided the attendees with breeding status information and asked for any items that they wish the department to pursue at the MFC meeting in mid July. Department staff then attended the MFC Technical and Council meetings. At this meeting staff were provided status information and the proposed framework alternative from the USFWS. Department staff then worked with the other states in our Flyway to discuss and develop proposals and recommendations that were voted upon by the MFC. Proposals that passed at the MFC meeting were forwarded to the USFWS for consideration by the Service Regulations Committee (SRC) at their meeting. The USFWS announced its final waterfowl season framework recommendation on July 31. Department staff summarized waterfowl status and regulation information for Wisconsin citizens and presented this information to the Migratory Committee of the Conservation Congress and at a public meeting (Post-Flyway Meeting) of interest groups and individuals on August 1. Staff gathered public input at these meetings regarding citizen suggestions for the development of Wisconsin’s waterfowl regulations given the federal framework. Public hearings were held from August 3 – 6 around the state to solicit additional input on the proposed annual waterfowl rule.

Analysis and Supporting Documents Used to Determine Effect on Small Business or in Preparation of Economic Impact Report: These rules, and the legislation which grants the department rule making authority, do not have a significant fiscal effect on the private sector or small businesses. Additionally, no significant costs are associated with compliance to these rules.

Effects on Small Businesses: These rules are applicable to individual sportspersons and impose no compliance or reporting requirements for small businesses, nor are any design or operational standards contained in the rule.

Section 1. NR 10.001(1) is amended to read:

NR 10.001 (1) "Accompanied by", for the purposes of s. 29.304, Stats., and s. NR 10.01 means within sight and voice contact, without the aid of any mechanical or electronic amplifying device other than a hearing aid.

Section 2. NR 10.01(1)(b), (g) and (u) are repealed and recreated to read:

Kind of Animal	Locality	Open season (all dates inclusive)	Daily Bag Limit	Possession Limit
NR 10.01(1)(b) <i>All species of wild duck</i>	Entire state	As established by zone	As established by season and zone	Double the daily bag limit through the entire season, except opening day when it is the same as the daily bag limit.

Northern zone as established in s. NR 10.32	Sept. 26 at 9:00 a.m. – Nov. 24	6 ducks to include not more than 4 mallards of which only 1 may be a hen mallard, 1 black duck, 1 pintail, 1 canvasback, 2 redheads, 2 scaup and 3 wood ducks. In addition, 5 mergansers to include not more than 2 hooded mergansers.
Southern zone as established in s. NR 10.32	Oct. 3 at 9:00 a.m. – Oct. 11 and Oct. 17 – Dec. 6	6 ducks to include not more than 4 mallards of which only 1 may be a hen mallard, 1 black duck, one pintail, 1 canvasback, 2 redheads, 2 scaup and 3 wood ducks. In addition 5 mergansers to include not more than 2 hooded mergansers.

Section 2. Continued.

Kind of Animal	Locality	Open season (all dates inclusive)	Daily Bag Limit	Possession Limit
NR 10.01(1)(g) <i>Geese</i> 1. Canada geese and its subspecies	a. Entire state	Sept. 1 — Sept. 15	5	10
	b. All that part of the exterior zone lying within the northern zone established in s. NR 10.32 except for the subzones described in subd. 1.c. and d.	Sept. 19 – Sept. 25 and Sept. 26 at 9:00 a.m. – Dec. 12	2	4
	c. All that part of the Brown County subzone lying within the northern zone established in s. NR 10.32.	Sept. 19 – Sept. 25 and Sept. 26 at 9:00 a.m. – Dec. 12	2	4

d. Burnett county subzone	None	None	None
e. All that part of the exterior zone lying within the southern zone established in s. NR 10.32 except for the zones and subzones described in subd. 1. f. to j.	Sept. 19 – Oct. 2 and Oct 3 at 9:00 a.m. - Oct. 11 and Oct. 17 - Dec. 17	2	4
f. All that part of the Brown County subzone lying within the southern zone established in s. NR 10.32.	Sept. 19 – Oct. 2 and Oct 3 at 9:00 a.m. - Oct. 11 and Oct. 17 - Dec. 17	2	4

Section 2. Continued.

Kind of Animal	Locality	Open season (all dates inclusive)	Daily Bag Limit	Possession Limit
	g. Horicon zone	Two permit periods		6 (equivalent to the prescribed number of carcass tags)
		Sept. 16 – Oct. 2 and Oct. 3 at 9:00 a.m. – Nov. 1	2	
		Nov. 2 – Dec. 16	2	
	h. Collins zone	Three permit periods:		6 (equivalent to the prescribed number of carcass tags)
		Sept. 16 – Oct. 2 and Oct. 3 at 9:00 a.m. – Oct. 4	2	
		Oct. 5 – Oct 25	2	
		Oct. 26 – Nov. 20	2	

i. Rock Prairie subzone	Sept. 19 – Oct. 2 and Oct 3 at 9:00 a.m. - Oct. 11 and Oct. 17 - Dec. 17	2	4
j. Mississippi River subzone	Oct. 3 at 9:00 a.m. – Oct. 11 and Oct. 17 – Dec 31	2	4

Note: Season dates listed in this subdivision may be closed early when the harvest may exceed the level authorized, according to the procedure in s. NR 10.125(6).

2. Snow or blue and Ross' geese	Entire state	As established by zone	20	40

Section 2. Continued.

Kind of Animal	Locality	Open season (all dates inclusive)	Daily Bag Limit	Possession Limit
----------------	----------	-----------------------------------	-----------------	------------------

NR 10.01(1)(u) *Falconry special season*. Any person possessing a valid falconry permit and hunting license shall be restricted to the following migratory game bird seasons:

Kind of Animal	Locality	Open season (all dates inclusive)	Daily Bag Limit	Possession Limit
1. All species of wild ducks, mergansers	Northern zone as established in s. NR 10.32	Sept. 19 – Sept. 20, Sept. 26 at 9:00 a.m. – Nov. 24 and Jan. 8 –	3 in aggregate with those species listed under subd. 2.	6 in aggregate with those species listed under subd. 2 .

and coots		Feb. 21		
	Southern zone as established in s. NR 10.32	Sept. 19 – Sept. 20, and Oct 3 at 9:00 a.m. – Oct. 11, Oct. 17 – Dec. 6 and Jan. 8 – Feb. 21	3 in aggregate with those species listed under subd. 2.	6 in aggregate with those species listed under subd. 2.
2. Gallinules, Sora rail, Virginia rail, common snipe and woodcock	Entire state	Sept. 1 – Dec. 16	3 in aggregate with those species listed under subd. 1.	6 in aggregate with those species listed under subd. 1.
3. Geese	Within the zones and subzones established in s. NR 10.31	Concurrent with the open season for geese established in par. (g) for each zone or subzone	As established in par. (g) for each zone or subzone	As established in par. (g) for each zone or subzone

Section 3. NR 10.01(1)(v) is amended to read:

NR 10.01(1)(v) *Special youth waterfowl hunt event.* Persons ~~12 years of age or older but~~ under 16 years of age ~~who possess a certificate of accomplishment under s. 29.591, Stats., or its equivalent from another state or province,~~ may hunt all species of wild duck, mergansers, geese, coots, and moorhens for 2 consecutive days starting on September ~~20~~ 19. Approvals under ch. 29, Stats., are not required pursuant to s. 29.197 (1), Stats., except for registration in the harvest information program under s. NR 10.12 (11) and a Canada goose hunting permit for the season or zone where goose hunting, as listed in par. (g) 1., if hunting Canada geese. Daily bag limits are those described under pars. (b), (c) and (g), except that the daily bag limit for the zone or sub zone being hunted as listed in par. (g)1.a. to j., on that date shall apply to Canada geese, and all other waterfowl hunting regulations apply. Hunters shall be accompanied by an adult 18 years of age or older ~~and be in compliance with s. 29.592, Stats.~~ One adult may not accompany more than 2 hunters and pursuant to s. 29.592, Stats., not more than one of the 2 hunters may be age 10 or 11, or be a person who does not possess a certificate of accomplishment under s. 29.591, Stats., or its equivalent from another state, country or province.

Section 4. NR 10.01(2)(f)4.a. is amended to read:

NR 10.01(2)(f)4.a. Persons under the age of 16 years of age who possess ~~a certificate of accomplishment under s. 29.591, Stats., or its equivalent from another state or province,~~ a valid carcass tag issued for the current license year, and all necessary ch. 29, Stats., approvals may hunt turkeys for 2 consecutive days starting on the Saturday immediately preceding the beginning of the spring turkey hunting season established in subd. 1. in the turkey management zone for which the carcass tag was issued. Only one male or bearded turkey may be killed and shall be tagged immediately with a valid carcass tag for that zone pursuant to s. NR 10.25 (2). Hunters shall be accompanied by an adult 18 years of age or older ~~and be in compliance with s. 29.592, Stats.~~ One adult may not accompany more than 2 hunters and pursuant to s. 29.592, Stats., not more than one of the 2 hunters may be age 10 or 11, or be a person who does not possess a certificate of accomplishment under s. 29.591, Stats., or its equivalent from another state, country or province. All other spring turkey hunting regulations apply.

Section 5. NR 10.01(3)(ev) is amended to read:

NR 10.01(3)(ev) *Special youth gun deer hunt event.* Persons ~~12 years of age or older but~~ under the age of 16 years of age who ~~possess a certificate of accomplishment under s. 29.591, Stats., or its equivalent from another state or province,~~ may hunt deer with a firearm for 2 consecutive days beginning on the Saturday nearest October 8 in all deer management units, except state park units and deer management unit 48. Allowable types of firearms are those authorized on the first day of the regular gun deer season under par. (e) or (et). The bag limit is one buck deer per valid gun deer carcass tag and additional antlerless deer per valid antlerless deer carcass tags issued under par. (ed) or s. NR 10.104 (8). Hunters shall be

accompanied by an adult 18 years of age or older and be in compliance with s. 29.592, Stats. One adult may not accompany more than 2 hunters and pursuant to s. 29.592, Stats., not more than one of the 2 hunters may be age 10 or 11, or be a person who does not possess a certificate of accomplishment under s. 29.591, Stats., or its equivalent from another state, country or province. ~~and all~~ All other hunting regulations apply. Blaze orange requirements under s. 29.301 (2), Stats., apply to all hunters on these days except waterfowl hunters. Earn-a-buck requirements do not apply to youth hunters hunting in CWD zones identified in s. NR 10.28 (3) or non-CWD earn-a-buck units when using their regular gun buck deer carcass tag. Youth hunters may harvest and tag bucks or antlerless deer in CWD zones as authorized by CWD tags under s. NR 10.104 (11) or CWD landowner permit tags issued pursuant to s. NR 10.41 (3).

Section 6. NR 10.102(4m)(c)2. is amended to read:

NR 10.102(4m)(c)2. The person turns ~~12~~ 10 years of age during the open season for hunting bear.

Section 7. NR 10.32 is repealed and recreated to read:

NR 10.32 Migratory game bird hunting zones.

Section 8. STATEMENT OF EMERGENCY. The emergency rule procedure, pursuant to s. 227.24, Stats., is necessary and justified in establishing rules to protect the public welfare. The federal government and state legislature have delegated to the appropriate agencies rule-making authority to control the hunting of migratory birds. The State of Wisconsin must comply with federal regulations in the establishment of migratory bird hunting seasons and conditions. Federal regulations are not made available to this state until mid-August of each year. This order is designed to bring the state hunting regulations to conformity with the federal regulations. Normal rule-making procedures will not allow the establishment of these changes by September 1. Failure to modify our rules will result in the failure to provide hunting opportunity and continuation of rules which conflict with federal regulations.

Section 9. EFFECTIVE DATE. These rules shall take effect on September 1, 2009.
