A-V 1.01 Certification. (1) **APPLICATION.** This chapter applies to:

(a) All directors, principals, supervisors, counselors, coordinators, teachers, technical advisors and experts (herein referred to as teachers) employed half-time or more by local boards of vocational and adult education.

(b) All teachers who have their initial employment in Wisconsin schools of vocational and adult education after the dates indicated below.

1. Teachers—May 2, 1953.
2. Trade and industrial coordinators and supervisors—July 1, 1955.
3. Coordinators and supervisors of homemaking, distributive, education, business education and general subjects—June 1, 1956.
4. Counselors—December 7, 1953.
5. Directors and assistant directors—July 1, 1955.

Note: Teachers employed before the above dates may elect to comply with the regulations as set forth herein, or with the regulations as set forth in Teacher Training Bulletin No. 300 revised April 1942, or Teacher Training Bulletin No. 301 revised January 1946.

(2) **DETERMINATION OF STATUS.** Teachers will be granted and will hold certification status based on their teacher training forms and transcripts as submitted to the office of the state board of vocational and adult education. Application shall be made on Teacher Training Form 6 V.S. and shall be available through local boards of vocational and adult education.

(3) **ISSUANCE OF CERTIFICATE.** Upon request of the local director, credentials of status will be issued by the state director to such teachers as qualify under the regulations as set forth herein.

(4) **APPEAL.** (a) Should any teacher feel that the status granted is not commensurate with the record submitted, appeal may be made to the state director of vocational and adult education for a review of the case by a committee on credentials. Such committee to be appointed at the time of the appeal by the state director of vocational and adult education; to be composed of a professional member of the staff of the state board of vocational and adult education; a local director; and three members who hold positions comparable to the person making the appeal.

(b) Meetings of the committees will be called by the state director of vocational and adult education.

required by the state board for progress toward the standard state certification.

(2) Standard state certificate shall be valid for life.

History: Cr. Register, December, 1956, No. 12, eff. 1-1-57.

A-V 1.03 Requirements for provisional state certificate. The provisional state certificate is granted to and held by all teachers who meet the following requirements and who are not yet qualified to hold the standard state certificate:

(1) Are high school graduates.

(2) Have had trade or occupational preparation as follows:

(a) Have had trade or occupational experience of a practical nature in the trade or occupation indicated on the attached summary sheet. Trade or occupational experience must be on the adult level. Practical experience in homemaking involving some degree of responsibility is considered to be:

1. Experience with entire responsibility for all homemaking activities such as would be the case were the housewife to be away or ill, or the mother to die, leaving full responsibility to be assumed by the candidate.

2. Experience as an employee in the home, responsible for certain homemaking activities such as would be the case where the candidate works with and assists the housewife but usually has delegated, or assumes, responsibilities for definite activities.

(b) Have agreed to and actually do spend one summer (3 months) during each certification period in the trade or occupation indicated on the attached summary sheet until such record shall satisfy the trade or occupational experience required for the standard state certificate, or until evidence of having attained journeyman level is demonstrated.

(3) Have had professional educational experience as follows: (Applies to directors, coordinators, and supervisors).

(a) Experience shall be in schools of vocational and adult education or the equivalent.

(b) Two years experience in schools other than schools of vocational and adult education will be considered as equivalent to one year in schools of vocational and adult education.

(c) In the case of directors, experience in other schools must have been in administration or supervision in schools with vocational and adult programs.

(4) Satisfactorily complete trade or occupational examinations within the first certification period. If there are any deficiencies, they must be made up as rapidly as possible, or in licensed occupations, hold license currently in force.

(5) Has professional preparation as follows:

(a) Have completed the college work required as indicated on the attached summary sheet.

(b) Course requirements: Agree to, and actually do spend one summer school (6 weeks) during each certification period in professional improvement along lines laid down for securing the standard state certificate. At least 6 semester hours and, where indicated, at least one, one-week institute must be taken during each certification period.
