WCD 10.03 There shall be no open season on kingfishers except on federal, state, and licensed private fish hatcheries, or on great blue heron or cormorant within 1,000 feet of any rookery used by those birds for nesting purposes. There shall be no open season on hen pheasants unless otherwise expressly provided in this chapter.

Section WCD 10.05 of the Wisconsin administrative code is amended to read:

WCD 10.05 (1) There shall be a closed season from November 17 to November 25, inclusive, for hunting all species of wild animals and birds within a distance of 200 feet from the center line of any state forest road in Vilas county and of any federal, state, or county highway in those counties or parts of counties where an open season for hunting deer with firearms has been established.

(2) There shall be a closed season from September 22 to November 11, inclusive, for hunting all species of wild animals and birds with bow and arrow within a distance of 200 feet from the center line of any state forest road in Vilas county and of any federal, state, or county highway in those counties or parts of counties where an open season for hunting deer with bow and arrow only has been established.

Section WCD 10.06 (2) of the Wisconsin administrative code is amended to read:

WCD 10.06 (2) The hunting hours for each species of game, except deer, migratory waterfowl and shorebirds, on which an open season is established (except raccoon, fox, skunk, and opossum for which there are no hunting hour restrictions) shall be from one-half hour before sunrise to one-half hour before sunset as listed in the following table and it shall be unlawful for any person to hunt or shoot such game on any day during the open season before the time listed in the A.M. column or after the time listed in the P.M. column.

Section WCD 10.06 (2m) of the Wisconsin administrative code is created to read:

WCD 10.06 (2m) The hunting hours for migratory waterfowl and shorebirds shall be from one-half hour before sunrise as listed in the following table to 4:00 P.M. and it shall be unlawful for any person to hunt or shoot such waterfowl and shorebirds on any day during the open season before the time listed in the A.M. column or after 4:00 P.M.

Section WCD 10.09 (6) of the Wisconsin administrative code is amended to read:

WCD 10.09 (6) The provisions of section 29.24, Wis. Stats., and subsections (4) and (5) of this section prohibiting the possession of firearms and ammunition do not apply to Brown, Calumet, Columbia, Crawford, Dane, Dodge, Fond du Lac, Grant, Iowa, Jefferson, Kewaunee, Lafayette, Manitowoc, Ozaukee, Richland, Sauk, Sheboygan, Vernon, Washington, Waukesha and Winnebago counties and in those counties it shall be lawful to hunt all species of wild animals throughout the open season. While hunting small game under the authority of this subsection, in the above-named counties, except Columbia, Iowa, Richland, Sauk and Vernon counties, it shall be unlawful for any person to use or have in possession or under control any rifle other than a .22 rim-fire; and in such hunting in all of the above-named counties it shall be unlawful for any person to use or have in possession in the nighttime any shotgun ammunition loaded with shot larger than No. BB or with single slug or ball. This subsection shall not be construed to permit the hunting of deer or bear with a .22 rim-fire rifle or any .410 bore shotgun.

Section WCD 10.12 (2) (c), (3) (a), (4) and (5) (c) of the Wisconsin administrative code is amended to read:

WCD 10.12 (2) (c) It shall be lawful for any person to hunt wild ducks, wild geese, and other aquatic fowl during the open season therefor in open water in any of the outlying waters of Lake Michigan under the jurisdiction of the state of Wisconsin excepting Green Bay and the open water area within 500 feet of any shoreline of said lake.

(3) (a) It shall be unlawful for any person to hunt, catch or kill any waterfowl or migratory game birds under any circumstances by the aid or use of salt or shelled or shucked or unshucked corn, wheat or other grains or other feed or means of feeding similarly used to lure, attract or entice such birds to, on, or over the area where hunters are attempting to take them.

(4) It shall be unlawful in the hunting of any migratory waterfowl to use directly or indirectly any live duck or live goose decoys, regardless of the distance intervening between any such live decoys and the position of the hunter.

(5) (c) It shall be unlawful for any person to use or have in his possession or under his control more than one gun while hunting migratory waterfowl in any manner.

Section WCD 10.15 of the Wisconsin administrative code is amended to read:

WCD 10.15 (1) Horicon managed deer hunt (a) Deer of any age and either sex may be taken with bow and arrow only within the Horicon National Wildlife Refuge subject to provisions of this section, beginning on December 15 and continuing until the U. S. Fish and Wildlife Service determines that the harvest of deer is such that to kill additional deer would be detrimental to and would endanger the breeding stock and future supply of deer; but not after December 23.

(b) Hunting on the Horicon National Wildlife Refuge is permitted under permit (arm band) only, as authorized by the U. S. Fish and Wildlife Service. The number of permits issued at any one time shall not exceed 750 and a permit shall be valid for one day only.

(c) Hunters must form a line to apply for permits, and trailers and busses will not be permitted in the line. Automobiles in the line must be occupied at all times by persons desiring to apply for permits.

(d) Hunters must apply in person for permits and must submit their hunting licenses for inspection.

(e) Permits to hunt on the refuge are nontransferable. Only licensed hunters may obtain a permit.

(f) A service fee of one dollar per person per trip shall be paid by each hunter.

(g) When finished hunting, each hunter must surrender, in person, his numbered arm band at the checking station through which he entered, and then submit for examination such game as he may have bagged.

(2) Horicon managed pheasant hunt (a) An open season is established for hunting cock pheasants and other game in season, with shotguns or bow and arrow within the Horicon National Wildlife Refuge subject to provisions of this section, beginning December 26 and continuing until the U. S. Fish and Wildlife Service determines that the harvest of pheasants is such that to kill additional pheasants would be detrimental to and would endanger the breeding stock and future supply of pheasants; but not after December 31. Daily bag limits and other general hunting regulations for all game will apply as stated in this chapter.

(b) Hunting on the Horicon National Wildlife Refuge is permitted under permit (arm band) only, as authorized by the U. S. Fish and Wildlife Service. The number of permits issued at any one time shall not exceed 250 and a permit shall be valid for one day only.

(c) Hunters must form a line to apply for permits, and trailers and busses will not be permitted in the line. Automobiles in the line must be occupied at all times by persons desiring to apply for permits.

(d) Hunters must apply in person for permits and must submit their hunting licenses for inspection.

(e) Permits to hunt on the refuge are nontransferable. Only licensed hunters may obtain a permit.

(f) A service fee of one dollar per person per trip shall be paid by each hunter.

(g) All pheasants taken while hunting under permit within the refuge shall be tagged immediately when taken by the hunter with a special tag furnished with the permit. Unused tags must be returned to the checking station upon completion of the hunt.

(h) Hunters having completed one trip on the refuge shall not be permitted to hunt on the refuge thereafter, except that additional trips may be permitted when no other hunters are waiting to apply. Hunting licenses shall be punched for each trip.

(j) Permittees shall be allowed to use dogs.

(k) When finished hunting, each hunter must surrender, in person, his numbered arm band at the checking station through which he entered, and then submit for examination such game as he may have bagged.

(3) Horicon managed goose hunt (a) An open season is established for hunting geese on the Horicon National Wildlife Refuge in Dodge and Fond du Lac counties as limited herein concurrent with the open season provided in section WCD 10.01 (1) (d). The open season for hunting geese on the Horicon National Wildlife Refuge established by this section and the open season for hunting geese in Dodge and Fond du Lac counties established in section WCD 10.01 (1) (d) shall close on an earlier date when the U. S. Fish and Wildlife Service and the Wisconsin Conservation Commission determine that the harvest of the Canada goose population in Dodge and Fond du Lac counties is such that to kill additional Canada geese would be detrimental to and would endanger the breeding stock and the future supply of Canada geese or that the Canada goose population has migrated from the refuge to such an extent that operation of the managed hunting unit is no longer in the public interest and such closing shall take precedence over the provisions of said section WCD 10.01 (1) (d).

(b) Hunting on the Horicon National Wildlife Refuge is permitted under permit only as authorized by the U. S. Fish and Wildlife Service.

(c) Hunting on such refuge shall be done only under the following conditions:

The Horicon National Wildlife Refuge is divided into two units as follows:

1. Managed hunting unit. The managed hunting unit varies in width, but is not more than 440 yards wide as marked by single strand of wire, or as posted by the Wisconsin Conservation Department. A single row of blinds spaced approximately 200 yards apart shall be provided by the Wisconsin Conservation Department to accommodate not more than three hunters per blind.

2. Refuge unit. The refuge unit shall include all land in the Horicon National Wildlife Refuge not designated above as the managed hunting unit. Within this unit, it shall be unlawful to hunt in any manner at any time.

3. Managed hunting unit; prohibitions. Within the managed hunting unit, it shall be unlawful to:

(a) Enter without first having obtained the necessary permit (arm band) in person at one of the checking stations. Such permit shall be valid for only one day.

(b) Leave the immediate vicinity of the managed hunting unit without first surrendering the permit in person at the checking station where it was obtained. The immediate vicinity of the managed hunting unit is defined as the area which is bounded by the following recognized roads:

WEST SIDE OF MARSH:

Dodge county: By county highway "I" from its junction with state highway 26, northerly to its junction with state highway 49.

Fond du Lac county: By the town road lying east of the west branch of the Rock river, which connects state highway 49 and county highway "D".

NORTH END OF MARSH:

Fond du Lac county: County highway "D" from its junction with the above-mentioned town road lying east of the west branch of the Rock river, easterly to the junction with county highway "B".

EAST SIDE OF MARSH:

Fond du Lac county: County highway "B" from its junction with county highway "D", southerly to and along county highway "Z" which is in Dodge county.

Dodge county: County highway "Z" southerly to its junction with the north-south town road in section 3, township 12 north, range 16 east, and southerly on said town road for a distance of one mile.

4. Hunters must form a line to apply for blinds, and trailers and busses will not be permitted in the line. Automobiles must be occupied at all times by persons desiring to register for blinds.

5. Hunters must register in person for blinds and must submit their hunting licenses for inspection.

6. Arm bands to hunt on the unit are nontransferable and no permittee shall occupy other than his assigned blind.

7. After beginning of the daily shooting hour, no hunters shall be assigned blinds in the managed hunting unit except during the period from 12:00 noon to 1:00 P.M.

8. Hunters may use their own decoys.

9. A service fee of one dollar per trip shall be paid by each person. Only licensed hunters may occupy a blind.

10. Goose shooting shall be from assigned blinds only. When going to and from blinds, hunters must keep their guns unloaded and enclosed within a carrying case.

11. Dogs are not allowed on the managed hunting unit.

12. Hunters having completed three hunting trips on the managed hunting unit shall not be permitted to hunt geese on the unit thereafter during the same season. Hunting licenses shall be punched for each trip.

13. No permittee shall deposit any refuse in any blind or in the managed hunting unit, and immediately upon terminating his hunting trip shall deposit all refuse in containers provided at managed hunting unit access points.

14. Each hunter shall leave his blind promptly at the daily closing hour.

15. When finished hunting each hunter must surrender, in person, his numbered arm band at the checking station through which he entered, and there submit for examination such game as he may have bagged.

(4) Hunting and trapping (a) In the discretion of the Fish and Wildlife Service an open season for trapping muskrat, mink, and raccoon within the Horicon National Wildlife Refuge may be declared under written permit from the Fish and Wildlife Service or its authorized representative, and with the approval of the conservation director, between the dates of October 25, 1956 and April 15, 1957. Open seasons for hunting or trapping all other fur-bearing animals within the Horicon National Wildlife Refuge may be declared in the same manner at any time during the state season on such fur-bearing animals. Such permits shall be subject to all of the rules and regulations governing hunting and trapping set forth in this chapter except that the use of not more than 125 traps and the use of wet or dry sets may be authorized by such permits.

(b) All other fur-bearing animal seasons on Horicon Marsh on both federal and state-owned areas will concur with the state season on these fur-bearers and hunting and trapping will be permitted only under permit.

(c) It shall be unlawful for any person trapping under permit as provided in subsections (2) (a) and (b) to have in his possession or under his control while exercising the privileges of his permit any migratory waterfowl or game bird unless such waterfowl or bird shall have attached and locked through a slit in either wing thereof a metal tag furnished by the conservation commission for that purpose.

(d) It shall be unlawful for any such person trapping under permit to remove any migratory waterfowl or game bird from the federal and state-owned areas of Horicon Marsh except as follows: migratory waterfowl and game birds taken as the result of normal trapping operation shall be delivered by the permittee to the proper federal or state agents on Horicon Marsh and such waterfowl and birds properly tagged as provided in paragraph (a) may be transported by the permittee for the purpose of making delivery in all townships in Dodge and Fond du Lac counties in which federal or state-owned areas of Horicon Marsh are situated.

Section WCD 10.16 (1) and (2) of the Wisconsin administrative code are amended to read:

WCD 10.16 (1) Within the discretion of the Fish and Wildlife Service an open season for muskrats, mink, and raccoon with no bag limit and on beaver with a bag limit of 20 per season may be declared within the Necedah National Wildlife Refuge under written permit from the Fish and Wildlife Service and with the approval of the conservation director between the dates of October 25, 1956 and April 15, 1957. All other fur-bearing animal seasons on the Necedah National Wildlife Refuge, except for otter on which there shall be a closed season, shall concur with the state season on these fur-bearers and trapping shall be authorized only under permit issued by the Fish and Wildlife Service with the approval of the conservation director.

(2) There shall be an open season for deer hunting with bow and arrow only from September 22 to November 11, 1956, inclusive, and from December 15, 1956 to January 13, 1957, inclusive, one deer per season of either sex and any age, on the Necedah National Wildlife Refuge (except posted closed areas). No special permits shall be required, but hunting license and regulation deer tag as required by statutes are necessary.

Section WCD 10.20 of the Wisconsin administrative code is amended to read:

WCD 10.20 RECORDING OF DEER AND BEAR (1) Gun seasons (a) Each person who has killed a deer or bear during the open season for hunting such animals with guns shall exhibit such deer with his deer tag attached as required by section 29.40 (1), Wis. Stats., or such bear, to a conservation warden or other authorized conservation department personnel in the county in which such deer or bear was killed or in the adjoining county not later than midnight of the third day following the close of such season. Such deer or bear shall be wholly intact except that it may be field-dressed. Upon approval of the officer, such officer shall attach a special tag to such deer or bear indicating that it has been inspected and recorded and such tag shall remain attached to such deer or bear until such carcass is finally consumed. Such deer or bear shall not be removed beyond the limits of the county adjoining that in which it was killed unless it has been so exhibited and tagged.

(b) Any deer so taken in any county wherein there is an open season for hunting deer of any age, either sex, shall be exhibited and tagged as provided in paragraph (1) (a) in the county in which the deer was killed not later than midnight of the third day following the close of such season in such county, and such deer shall not be removed from said county unless it has been so exhibited and tagged. Any deer taken on any of the islands in the outlying waters of Lake Superior in Ashland and Bayfield counties shall be exhibited and tagged as provided herein at the registration station in the city of Bayfield.

(2) Recording of deer and bear taken during the bow and arrow only season or bear trapping season. Each person who has killed a deer or bear during the open season for hunting such animals with bow and arrow only or who has killed a bear during the open season for trapping shall exhibit and register such deer or bear as provided in subsection 1, except that the carcass of such deer or bear shall be exhibited within twenty-four hours after the taking or killing thereof.
